## President Gets Program For Defense Of U. S.

### Adoption Of Compulsory Military Training Is Part Of Recommendation

### ATOMIC WARFARE DEFENSE URGED (BULLETIN)

WASHINGTON, June 2.—(INS)—The White House said today that President Truman later this week will send to Congress the sensational report of his universal training advisory commission which urges compulsory military instruction.

A White House spokesman said that the report, with its grim warning of a possible atomic bomb attack on the United States within the next four to 10 years, will be sent through a letter of transmittal rather than a special message.

WASHINGTON, June 2.—(INS)—President Truman today was expected to submit promptly to Congress the urgent recommendations of an executive commission calling for adoption of compulsory military training in preparation for atomic warfare.

The proposals passed before Mr. Truman by his advisory commission on universal training advised immediate consideration but congressional leaders regarded the issue as coming too late for action this year.

There appeared little likelihood that Congress will act on a training program despite the commission's warning that the United States is in a "grave danger."

## Pa Newc Observes

Motorists returning home from a three day holiday week ended in long lines of traffic on the downtown streets of the city Sunday evening. Passage through the city was at an unusually slow pace in the downtown area.

May proved another record month for babies at the Jameson Memorial Hospital, a record for that month being established, when 135 births were recorded. Girl babies outnumbered boy babies, the record show, 69 girls and 66 boys being born.

One housewife who was engaged in housecleaning a closet at the time of the first explosion this morning was startled into falling off the chair on which she was standing. What's more a lot of soot and dirt was knocked down the chimney and she's "not liking it a bit" having just finished spring housecleaning.

Residents of the Sheridan avenue district, have gotten together and installed a neat looking sign at the intersection of their street and Highland avenue informing passing motorists what street it is. The previous sign at the intersection was very illegible. The city street sign project is about to get under way when many of the city streets will be marked legibly.

Pa Newc received a note this morning in the mail from A. M. McConaghy of Roscoe, Cal. He says: "Dear friends, just a few lines to let you know that we still read your paper. I see where Domer Sankey caught the prize brown trout. In 1930, I caught two brown trout in the Neshannock creek above East Brook station near the Reiber farm. One was 24 inches and weighed four and a half pounds, while the other which was 21 inches long weighed three and a half pounds. I thought that the trout would be much larger after 17 years. Yours respectfully, A. M. McConaghy."

## House Approves Four Billion Cut In Income Taxes

(BULLETIN)  
WASHINGTON, June 2.—(INS)—The House approved today the joint conference report providing four billion dollars in tax reductions for 49 million income tax payers and sent the measure to the Senate for final action.

The tax bill compromise was expected to be adopted expeditiously by the upper chamber and forwarded to the White House with little delay.

## Seniors Hear Baccalaureate

### Commencement Program At Senior High Is Begun Sunday Evening

### REV. O. W. HURST MAKES ADDRESS

In a challenging baccalaureate sermon, Sunday evening, at the Cathedral the June 2nd Senior class of New Castle High School was urged "to hold to the eternal truths of the Gospel of Jesus Christ and to get into that place in life that God has planned for them."

The speaker of the evening, Rev. Oliver W. Hurst, pastor of the First Baptist church, chose as his timely theme to the graduating class, "To Have and To Hold" in which he portrayed present day humanity ever reaching out, ever grasping for something on which to pin their hopes, their ambitions.

Do One Thing Well  
"Do one thing well, seek one thing" requested Rev. Hurst. "In these days so many young people are clinging to good looks, gadgets, guesses, gayety, glamor and gold. What do you aim to have and to hold? Why not make God your choice?"

Rev. Thomas J. Jones, pastor of the First Congregational church prefaced the sermon with scripture lesson from Philippians 3:7, 14.

Miss Marjorie Jeanne Van, a member of the graduating class was heard in an organ recital of four numbers preceding the procession when the large class of seniors marched to their seats in the Cathedral auditorium. Leading the procession were Miss Lois Kerr, class advisor and William J. Nickum, president of the Senior class.

School Choir Sings  
The a cappella choir, led by Robert A. Duff, voice instructor of Senior High school seated on the platform, sang effectively three numbers during the baccalaureate.

## Mountbatten Outlines New Plan For India

### (BULLETIN)

NEW DELHI, June 2.—(INS)—Viscount Mountbatten, viceroy of India, outlined to bitterly antagonistic factional leaders today the British cabinet's plan for the transfer of power to the Indians.

The conference in his residence with Hindu, Moslem and Sikh leaders lasted two hours as new communal rioting and demonstrations accentuated the barriers to Indian unity.

Following the conference, the viceroy summoned Mohandas K. Gandhi from a camp of untouchable street sweepers for an urgent meeting. Gandhi, a stubborn foe of the Moslem demand for a separate statehood, and the viceroy, conferred for an hour.

An official communique said the viceroy "gave the leaders a full account of his discussions both in India and England which led up to the formulation of the government plan and the arguments which resulted in its adoption."

Talks with the Indian leaders will be resumed tomorrow morning. At 7 p. m. tomorrow the viceroy will broadcast to the Indian people, after which the cabinet plan will be read.

## Tornadoes Leave At Least 38 Dead And 300 Injured

### Arkansas And Oklahoma Scene Of Latest Violent Storm Disasters

### FARMING CENTERS STRUCK BY STORMS

(By International News Service)  
Two tornadoes which struck the south central states of Arkansas and Oklahoma left in the wake today at least 38 dead and more than 300 injured.

The small farming communities of Union, Ark., and Leedey, Okla., were in the direct path of the twisters and suffered heavy casualties and damage.

Union, a village of about 400 inhabitants, was practically razed by the second of the two tornadoes, which ripped the town yesterday afternoon.

Thirty-Two Killed  
Almost every building in the community was damaged or destroyed. Thirty-two persons were killed and nearly 300 injured.

## County Graduates Catholic Services

### Dinner And Services Conducted For 170 Students In St. Vitus Church-Hall

### REV. FR. F. PAUL DELIVERS SERMON

Expounding the question, "Are We Truly Educated?" was the theme of the principal address given by Rev. Fr. Francis Paul of St. Agatha's church, Ellwood City, at the religious services for county graduates, on Sunday evening.

Services, sponsored by the Lawrence County Priest Forum, were held in St. Vitus church at 7:30 p. m.

Fr. Paul said in part: "An educated man will bring out the inner qualities that will make him live a life patterned for us by Almighty God. Not qualities such as money, power and social prestige, but qualities that will help us train the mind and will. There are ways to test ourselves to see if we have these qualities, namely, religion, tolerance, kindness, charity, obedience and to be humble and alert."

Father Paul continued: "Do not judge a man because of his race, color and creed. Overcome prejudices, and arrive at the truth. Be tolerant to your fellowmen, and remember you yourself are not infallible. The more education you receive, the more humble you will become."

"If you do not measure up to these qualities," Fr. Paul concluded, "then remedy the situation. Let us make sure we are all truly educated, not only in worldly things, but in the things of God."

Approximately 170 students attended the services, and took part in the procession, which opened (Continued on Page Two)

## Hoover Urges RFC Continuance

WASHINGTON, June 2.—(INS)—Herbert Hoover recommended today that the Reconstruction Finance Corporation be continued for two or three years beyond its June 30 expiration date, but that the agency's activities be greatly limited.

The former president proposed that the giant government corporation, which was established during his administration, should be returned to its original purpose and be limited to loans to private business and self-liquidating loans for public works.

Hoover made known his views to Rep. Wolcott (R) Mich., chairman of the House Banking committee which is now holding hearings on extension of the RFC.

## U. S. Protest Rejected By Yugoslavia

WASHINGTON, June 2.—(INS)—The State department revealed today that Yugoslavia has rejected a United States protest over the removal of Italian property from the Yugoslav-occupied area of Trieste.

The United States protested to Belgrade on March 27. The answer was received 10 days ago.

The United States protested that the seizures and removals of Italian property violated the Italian armistice terms.

In rejecting the protest Yugoslavia contended that the seized properties belonged to Italian Fascists and that the United States itself allowed property to be removed from the zone occupied by British and American troops.

State department officials conceded that some Italian property had left the zone but contended that it was the personal property of some of 28,000 Italian nationals who have departed from Trieste.

Another United States protest against the seizure of Italian shipping in the waters along the Yugoslav zone remains unanswered.

## Seek Cause Of Plane Disaster

### Investigators Probe Possible Cause Of America's Greatest Airline Crash

PORT DEPOSIT, Md., June 2.—(INS)—Civil Aeronautics Board inspectors today continued their efforts to determine the cause of America's greatest airline disaster which took the lives of 53 persons.

CAB investigators, with offices set up in the nearby Bainbridge Naval Training Station, worked closely with inspectors from Eastern Airlines which operated the ill-fated DR-4 Newark-Miami airliner.

Airline pilots told the investigators that they were certain structural failure sent the huge plane to its doom in the swampy woodlands of northern Maryland.

The fliers said they were convinced that one of the plane's engines lost a propeller and that the entire engine went wild before it stopped or slowed down.

The pilots said that the engine ripped through the wings and fuselage and struck a paralyzing blow at the rudder and stabilizer of the plane.

## Hungary's New Premier Denies Communist Shift

BUDAPEST, June 2.—(INS)—Hungary's new pro-Communist premier, Lajos Dinnyes, sought today to minimize charges that the weekend shakeup in the Budapest regime constitutes a complete shift of Hungary to the side of Russia.

Dinnyes declared that the objective of his new government is "peaceful cooperation with all great powers." But his statement said significantly that while the Budapest regime desires cooperation with the United States and Britain, Hungary wants cooperation "especially with the Soviet Union."

In an address made to the Hungarian people, the premier declared that "calm and order prevail in Hungary," and added:

## Groom Of 98 Years Starts Honeymoon

LONG BEACH, Cal.—(INS)—Ninety-eight-year-old Moses S. Lane and Mrs. Verba Fox, his 46-year-old bride, were honeymooning today at the bridegroom's apartment in Long Beach.

Declared Lane, retired contractor and wealthy property owner, at his wedding in the First Christian church:

"Life is just beginning for me."

Lane employed the bride less than a month ago as nurse and housekeeper.

After the ceremony the monastic-like bride and groom left for a wedding reception at his apartment house.

It was the fourth marriage for Lane, who outlived his other three wives.

## Governor Duff Signs 36 Bills

### Variety Of Measures Become Laws As State Executive Okays Long List

HARRISBURG, June 2.—(INS)—Gov. James H. Duff signed 36 bills today including a measure to prohibit local government authorities from adopting ordinances or regulations during closed meetings.

The chief executive approved a bill permitting third class cities to sell unused and "unnecessary" land and buildings dedicated to park purposes.

Weight standards to be used in retailing anthracite coal were adopted and maintenance of barrier pillars between bituminous mine workings and adjoining property lines required under other measures endorsed.

Four measures governing property and transactions of husbands and wives were enacted into law.

They would make husbands liable for their wives per capita poll and occupation taxes, authorize married women to register property in their husband's name or their joint names without the joinder of their husbands and permit husbands and wives to convey property without spouses' signatures as tenants by the entireties.

Another series of approved bills permitted the state aeronautics commission to purchase aircraft for official use, authorize leasing state airports for a maximum five-year period and further regulated airport development by local governments.

Other bills signed increased the maximum cost of roadside rests (Continued on Page Two)

## Supreme Court Upholds Boston Mayor's Conviction

WASHINGTON, June 2.—(INS)—The Supreme Court today upheld the conviction of Mayor James M. Curley of Boston on a war fraud conspiracy charge.

The high court refused to hear Curley's appeal from a District of Columbia court of appeals decision affirming a federal district finding that he was guilty of using the mails to defraud.

The lower court sentenced Curley to a six to 18 month term and a \$10,000 fine.

## Coal Situation Will Spur Labor Measure Action

### By FRANK B. ALLEN (N. S. Staff Correspondent)

WASHINGTON, June 2.—Senate Democrats predicted today that the break-off in coal negotiation make more certain than ever the enactment into law of the "compromise" labor reform bill.

Sen. Ellender (D) La., who helped frame the final legislation, said the suspension of negotiations between UMW President John L. Lewis and northern operators "stimulates the chances of President Truman signing the bill."

Leaders on both sides have forecast that even if Mr. Truman vetoes the measure, Congress will have the two-thirds vote to override his veto.

Sen. Hill (D) Ala., another member of the Senate Labor committee, said he expects the President to veto the legislation but added: "The break-off in coal negotiations helps the chances of the labor bill. I don't think the coal development makes a veto any easier for the President."

The labor recommendations of a House-Senate conference committee go to the House for a vote Wednesday, Mr. Truman should receive the bill late this week.

## A. F. L. Drivers Are On Strike

### Twenty-Five Hundred In Pittsburgh Are On Strike Against Motor Carriers Association

PITTSBURGH, June 2.—(INS)—Twenty-five hundred AFL Teamster Drivers went on strike today against the Western Pennsylvania Motor Carriers Association, tying up over-the-road freight shipments in the entire area.

Teamster picket lines were established about railroad warehouses and freight terminals to halt all long-haul freight shipping.

The strike was called after last minute efforts by Mayor David L. Lawrence failed to effect a settlement in the contract negotiations.

President Bernard Mazon, of the teamsters powerful Local No. 249, ordered the strike when operators refused to meet the union's demand for a 35-cent hourly pay boost. The teamsters rejected the truckers' offer of 15-cents an hour, but reduced their original demand from 75 cents to \$1 and 35 cents an hour.

Railroads announced that freight shipments into Pittsburgh would be discontinued during the walkout. Officials explained that incoming freight would jam up in warehouses and tie-up badly needed box cars.

Emergency shipments will be carried, however, the railroad said.

The strike would affect "over-the-road" drivers only. Food and milk deliveries would not be affected since the drivers are under separate contract.

It sounded as though it came from the back of the hotel and apparently the folks thought part of the building would be parked in their laps.

They moved out as though some one had tried to take up a collection.

## Kills Three And Ends Own Life

### Middletown, O., Man Goes Berserk And Shoots Wife, Son, And Neighbor

MIDDLETOWN, O., June 2.—(INS)—A 32-year-old veteran went berserk last night in Middletown and shot and killed his wife and son and a next-door neighbor and then committed suicide.

Authorities said that Arthur W. Watson, who lived in a veteran's housing project on the south edge of Middletown, shot his wife, Dorothy, also 32, and their son, Arthur Jr., while they were in their apartment.

Then, according to police, Watson went outside and pumped eight shots into William McKenzie, 44, with a carbine. McKenzie was dead on arrival at the Middletown hospital.

Watson then turned the gun on himself after telling McKenzie's wife that he would not harm her.

Witnesses reported that the Watsons and the McKenzies drank heavily on an all-day drinking bout when the veteran and his wife got into an argument. The shooting followed.

## Arthur Mometer

So the sun came out and we ploved the ground and the air was drying it fast, and it looked as though we could harrow it soon, for a day and a night had passed without any rain and we held high hopes that planting would soon be on, but the rains came back and the ground is soaked and the chances of planting are gone. At least for a while, and I wish it would dry, for planting time's getting late, but the rain is here, so what can you do—the weather is sixty-eight.

This shows a group of people outside the fence at the plant of the American Cyanamid and Chemical Corporation near Edenburg this morning waiting to find out if relatives or friends were injured.

## Local Soldier Given Special Athletic Award

ALBROOK FIELD, Canal Zone, June 2—Corporal Walter Riley, currently stationed at Albright Field, Canal Zone, has just received a special athletic award from the Panama Canal department of the U. S. army. The trophy, a miniature silver baseball, was presented to him as a member of the Albright Field "Flyers" baseball team during the past season. The "Flyers" took second place in the recently completed Pacific sector tournament.

(Continued from Page One)

set up emergency facilities to care for the injured and homeless. The first twister, which struck the tiny town of Leedy Saturday, killed six persons and injured 12. Three quarters of the town was demolished. The tornado blew southeast from Higgins, Tex., where heavy casualties were suffered in the April 9 twister in which almost 200 persons were killed in Oklahoma and Texas.

**Buildings Destroyed**  
Farm buildings were destroyed and several persons were injured as the twister whirled about the Oklahoma towns of Blair, Shattuck, Gage, Sharon and Fargo.

Farther north, violent electrical storms caused extensive damage in the St. Louis area yesterday and last night. Police said four St. Louis homes were hit by lightning.

At Hannibal, Mo., a flash flood in the Bear Creek bottoms are forced nearly 200 families to leave their homes yesterday.

## McFERRER-FILER HOME CEREMONY

At a pretty home ceremony Saturday afternoon at 4:30 o'clock, in the home of the groom, Miss Eleanor McFerrin of R. D. 6, Savannah road, became the bride of Carl Leroy Filer, of 605 Court street.

Rev. Owen W. Shields, pastor of Croton Methodist church performed the double ring ceremony before the flower banked fireplace of the home.

The bride, attired in a street length dress of pink gabardine, wore a corsage of roses and gardenias. Her only jewelry was a double strand of pearls, the gift of the groom.

Her attendant as bridesmaid was Miss Dorothy Wilson who wore an aqua gown of street length and a corsage of yellow roses and carnations.

The groom's attendant, as best man, was his uncle, Jack Adams.

At 6 o'clock, the wedding dinner was served in the groom's home to the immediate family. An open reception was held at 7:30 o'clock in the same home, when many well-wishes and lovely gifts were received by the couple.

Assisting in serving at the dinner and reception were: Mrs. Avery Rigby Jr., Mrs. E. L. Roberts, Mrs. Roy Baldwin, Mrs. Edward Owens, Mrs. Wayne Hemminger and Mrs. J. W. Patton, all aunts of the groom.

Mrs. Filer, the daughter of Mr. and Mrs. Walter McFerrin, Savannah road, attended Shenango High school and is employed at the Kroger Grocery store. The groom, the son of Mr. and Mrs. George S. Filer, and a graduate of New Castle High, is employed at the Conn Welding company.

Upon their return from a several day honeymoon to Niagara Falls, they will be at home to their friends in their newly furnished apartment at 510 Whipple street.

**Polish Variety Club**  
Polish Variety Club have postponed their meeting until Thursday, June 12 which will be held at the home of Mrs. Michael Buczak, Hanna street.

## SUNDAY EVENING 'AT HOME' GIVEN

Mr. and Mrs. Robert A. Eckles entertained at an informal gathering and buffet supper in their charmingly renovated farm home north of New Wilmington Sunday evening in celebration of their 25th wedding anniversary. Hours were five to seven o'clock.

Here for the occasion were Miss Eleanor Eckles of New York, N. Y., and William Eckles of Pittsburgh, the Eckles' two children, and a number of guests from out of town, including Mrs. Edith Templeton and Miss Ruth Templeton, of Greenville; Mr. and Mrs. Emil Schuler of Pittsburgh, and Mr. and Mrs. Harold F. Reed and Mr. and Mrs. Edwin McDonald of Beaver.

Aides were Mrs. Emil Schuler, Mrs. William J. Caldwell and Mrs. James D. Crawford.

## ANNA LEASURE JUNE BRIDE-ELECT TOLD

Mr. and Mrs. James E. Leasure, Sr., of 814 West Washington street, announce the engagement and forthcoming marriage of their daughter, Anna Leasure, to Edwin H. Gregor, son of Mr. and Mrs. Harry H. Gregor, of 1120 Cunningham avenue.

The engagement will terminate in an open church wedding in the Madison Avenue Christian church on Sunday afternoon, June 15, at 2 o'clock in the afternoon. Rev. Walter Biberich will officiate.

**Jackson-Kelly Betrothal**  
Mrs. Margaret Pagley of 412 Riverview avenue announces the engagement and forthcoming marriage of her daughter, Shirley Jean Jackson, to Thomas Kelly, son of Mr. and Mrs. Thomas Kelly, of 420 John street.

The engagement will terminate in a quiet wedding ceremony in Epworth church on June 7.

**C. B. Club To Meet**  
C. B. club will meet Wednesday evening in the home of Mrs. John Hallowich, Lathrop street.

## GARDEN COUNCIL TO FEATURE EXCHANGE

June meeting of the Garden Council of Lawrence County in the guild room of Trinity Episcopal church Wednesday afternoon at 2 o'clock will feature a display of flower arrangements by members of participating clubs.

Entries will be judged for beauty and popularity by vote of those present.

For a plant exchange at 10 a. m. to precede the regular meeting in the afternoon members have been asked to take plants. Mrs. T. M. Shaffer is chairman of the exchange and will be assisted by a committee of representatives from member clubs.

## CHURCH SCENE OF AFTERNOON WEDDING

SS. Philip and James church was the scene of the wedding of Miss Monica Szygowski, daughter of Mr. and Mrs. Frank Szygowski, of 1710 Hanna street, and Bernard C. Boczar, of Detroit, Mich., son of Mr. and Mrs. John Boczar, of Smithfield street extension at 3:00 o'clock on the afternoon of May 18.

Solemnized on the thirty-third wedding anniversary of the bride's parents, Rev. V. V. Stencelowski officiated at the double ring ceremony.

Escorted to the altar by her father, the bride wore a gown of satin and net. Her long train was edged with a ruffle and her full length veil fell from a halo of orange blossoms. She carried madonna lilies centered with an orchid.

Her attendants were her sister, Miss Clara Szygowski, maid of honor, and bridesmaids the Misses Dorothy Zulewski, of Buffalo, N. Y., Dolly Prejsnar, and Ann Dadejko. They all wore gowns of lettuce green taffeta with matching bonnets and carried powder puff bouquets of carnations. Miss Patsy Boczar, sister of the groom, as junior bridesmaid, wore a gown of yellow taffeta styled like the other attendants.

Stanley Cwynar served the groom as best man and ushers were Ted Pawlaski, of Detroit, Mich., Joseph Mieluszyn, and Edmund Kopka, of Beaver Falls.

Following the ceremony the bridal party received guests in the vestibule of the church and in the evening there was a wedding supper and reception for 400 guests in the Parish hall.

Mr. and Mrs. Boczar will make their home in their newly furnished apartment on Myrtle street, Detroit, Mich.

Mrs. Boczar was previously employed by the A. & P. Company here. Mr. Boczar, a veteran of three years' service with the navy, is now employed in the First National Bank of Detroit, Mich.

## U. A. C. CLASS TO HAVE LAKE OUTING

U. A. C. class of First Baptist church planned an outing which will take place Saturday, June 21, at Lake Erie, at their last assembly in the home of Mrs. Zigmunt Dudoic, Neshannock avenue extension. Mrs. William Beltrame will be responsible for transportation, while Mrs. Harvey Black will be in charge of the menu.

A tasty dinner, which climaxed an attendance contest, featured the last meeting. The blue team entertained the winning red team, captained by Miss Winifred Herbert. Mrs. Harvey Black, Mrs. John Houk and Mrs. Dudoic were responsible for arrangements.

Mrs. William Grove, East Washington street, will be hostess at the next regular session, Thursday evening, June 26.

## Volant Mothers Club

Volant Mothers club will meet Wednesday, June 4, in the home of Mrs. Grace McConahy, Volant, instead of on Friday, the regular meeting day. Mrs. Lucille Shaw will be co-hostess.

Mrs. Olive Silvis is in charge of the program.

## LUNCHEON PROGRAM FOR POETRY GROUP

To close a successful year in the appreciation and study of poetry, New Castle Poetry Group gave a poetry recital luncheon in a local tea room Saturday, May 31, at one o'clock. At a long T-shaped table beautifully appointed in arrangements of valley lilies, purple aquilegia, narcissus and snowballs, places were marked for 22 guests.

Mrs. C. R. Brenner presented the program and introduced Mrs. G. L. Henderson, who brought greetings from the New Castle group and introduced the guests.

Members of the New Castle Poetry Group responded to roll call with an original poem.

Josephine Seivers Birt, branch chairman of Ohio Poetry society, and for nine years a contributor to the late Ted Robinson's celebrated *Philosopher of Polly Column*, and an author, singer, dramatic coach and radio actress, gave readings from manuscript of a volume of new verse which will appear in the near future and from her recently published volume, "Mary Magdalene Gets Flowers".

Frances Woodworth Howells of Ohio Poetry society of Cleveland, who wrote for Ted Robinson for 10 years in the Cleveland Plain Dealer, delighted her listeners with her clever light verse.

Mrs. D. Fields, newly elected president of Youngstown chapter of Ohio Poetry society, spoke briefly and introduced three members of her group who gave readings of their work.

Six members of the Workshop group of the New Castle poets who have completed a three years course of study with Clement Wood, presented the main part of the recital. Songs, free verse, narrative verse, lyrics, poems for musical settings, were among the many forms presented.

The program was as follows: Greetings and introduction of guests—Mrs. G. L. Henderson. Roll call and introduction of members—Mrs. C. R. Brenner.

"Third Movement Moonlight Sonata", Beethoven—Miss Marjorie Van.

Miss Alice Sterling, founder of New Castle Poetry Group.

Miss Allura Leslie, president of New Castle Poetry Group and chairman of Work Shop Group.

Mrs. Carl Wilson.

"A Spirit Flower", Campbell Tip.

"Prayer Universal", Charles Wakefield Cadman.

"Smilin' Through", Arthur A. Penn—Miss Carolyn Cox, accompanist, Miss Marjorie Van.

Speakers: Miss Garnet Rhodes, Miss Frances Haydon, Mrs. C. R. Brenner, Mrs. G. L. Henderson.

Invocation was offered by Mrs. Carl Wilson, and out-of-town guests included Mrs. Marion Archibald of East Palestine, Mrs. Mary Rosenberg of Butler, Mrs. M. McComber of New Wilmington, Mrs. D. Fields, Mrs. I. M. Brown, Mrs. J. S. Lisko and Mrs. Juna Tullison of Youngstown.

General committee for the recital included Mrs. C. R. Brenner, Mrs. G. L. Henderson, Mrs. Carl Wilson, Mrs. Josephine Alexander and Miss Frances Haydon.

June 3 meeting has been moved up to June 20 on account of the closing of the library for repairs and will meet at the home of Mrs. C. R. Brenner, at which meeting an evening of prose will feature the program and the election of officers will take place.

## ISEMAN-HAIRHOGGER PLANS REVEALED

Mr. and Mrs. Frank L. Iseman, of 316 Line avenue, Ellwood City, announce the engagement and forthcoming marriage of their daughter, Ruth A. Iseman, and James H. Hairhoger, son of Mr. and Mrs. Harry Hairhoger, of Wampum.

The open church wedding ceremony will take place on the evening of June 14 in Bell Memorial church, Ellwood City, at 7:30 o'clock D.S.T., with Rev. Joseph Pringle officiating.

Miss Mary E. Iseman, sister of the bride, will be the maid of honor, and Paul Bingle, of Ellwood City, will serve as best man.

## Marine Auxiliary

Marine Corps League auxiliary recently met and enjoyed a tureen dinner in their meeting rooms.

The prayer was given by Mrs. Ann Castelle, and the dinner was served on tables nicely arranged with the season's colors.

A short program was presented: readings by Edna Dewberry, Effie McAllen, Ann Castelle, Ruth Brown and Gladys Winslow. Edna Dewberry favored with a solo, and pep singing followed. Prayers closed the program.

A tureen dinner on June 25 is the next meeting, with Marie Berner, Delaware avenue, as hostess.

## I. V. D. Class To Meet

I. V. D. class of the First Christian church will meet in the church parlors Thursday evening at 8:00 o'clock with Mrs. Sara McCurdy and Mrs. Alfred Beavon as hostesses.

## JUNE BRIDES ELECT HONORED AT SHOWER

Miss Audrey Casburn of 125 East Lincoln avenue, was a charming hostess Wednesday when she entertained a group of friends at a lovely shower in honor of the Misses Clara Scriven and Emma Jean Ringer, both brides-elect of June. The celebration was in the form of a kitchen shower.

Games of various kinds were an enjoyable pastime with awards going to the Misses Peggy O'Leary and Polly Nolan.

Later a tasty luncheon was served by the hostess, assisted by her mother and Mrs. Stephen O. Lewis.

Miss Ringer will become the bride of W. E. Kerr Jr., on Saturday, June 14. Miss Scriven will become the bride of Kenneth Zeigler on Thursday, June 19.

## HOSPITAL CLUB FINAL MEETING

The final meeting for the season will be held by the New Castle hospital Emergency club, Wednesday afternoon at 2 o'clock, in their meeting rooms.

Hostesses will be: Mrs. John McCarthy and Mrs. Thomas Speirs.

### Cost Of College Degree Can Be High

MINNEAPOLIS, Minn., June 2.—The cost of a college degree can be very high. For many of the 15,000 veterans here at the University of Minnesota, it is high in terms of sacrifice and even privation.

With a total enrollment of 25,000 students, the problem of finding a place to live is acute. Young couples with children find it especially difficult. They are suffering under the wicked squeeze of the inflation that bedevils us.

To help out, the university established University Village on a ten-acre site. It is also called Fertile Acres, and you understand why when you see the procession of baby strollers and the innumerable toddlers. You can duplicate University Village on almost any large campus in the country as educators try to cope with mass education.

To be eligible to live in University Village, you must be a married veteran with a child or a child soon to be born. In 214 trailers, 96 prefabs, 100 quonset huts and 124 barracks, there are 534 families.

#### Move Into Trailer

You move from the waiting list into a trailer. The trailers have no running water. There are community bath houses for men and women. Cooking is done on a small kerosene stove.

If you're lucky, you will move after a few months from a trailer to a half-quonset hut, or to a family unit in one of the barracks with running water and plumbing.

Take a typical family in University Village. Let's call them the Bill Smiths. Bill is 25. He was in his second year of engineering when he was drafted into the army, where he served nearly five years in almost every theater of the war. He was discharged with the rank of major.

Bill and his wife, Betty, are one of the lucky families in half a quonset hut. They have a daughter two and a half and another child on the way.

### WHAT THE VOTERS DEMANDED

The people of this nation last November broke away from the New Dealers and elected a Republican majority in both Houses of Congress. Perhaps this was made possible by the death of F. D. R., but they did it anyway and by their act the people of the United States demanded several things.

First and foremost, they demanded that the New Deal be absolutely broken; that instead of three and one-half million office holders by virtue of the multiple Bureaus, most of these office holders would straightway lose their jobs.

Second, they demanded that the infamous Wagner Act be overhauled and the labor autocrats be shorn of their autocratic power and that every man should have a right to work independent of any labor, yes, or no on the part of any labor leader.

Third, they demanded that the income taxes assessed against the people on their earnings should be reduced—made possible by the discharge of about two and one-half million government employees.

Fourth, they demanded that some limit should be placed upon the Treasurer of the United States as to the amount of money he could cause to be printed. As to the fourth, no doubt the people of the United States would like to revert to the gold standard, so that the printed money should have something substantial back of it. Today the government in Washington seems to regard the printing of money in a very different light from what the solid, substantial citizens of the nation think about it—if not a gold standard, some standard the value of which does not change a great deal.

### PROPHYLAXIS

That is a good six cylinder word. It means prevention. It means keeping people from getting sick. It means keeping people free from communicable diseases.

Prophylaxis covers quite a large territory. Sometimes it means vaccination against smallpox. Sometimes it means shots to prevent diphtheria or lock jaw or whooping cough.

Sometimes it means patch tests on the skin. Sometimes it means X-rays of the chest. Sometimes it means medical examination or dental examination of school children.

Sometimes it means looking after dairies and milk handlers and restaurants and back yards and tonsils and obesity and Sunday school. It means a pretty big job.

### SUNDAY SCHOOL VACATION

Around this time each year most Sunday schools have a program known as "Children's Day". It is a kind of promotion day in the Sunday school. It is also a sort of celebration of the year's achievements. Often the church period or a part of it is devoted to this program.

The attendance by children and parents is relatively large on this day and the children put on a program enjoyed by the adults. The program has the good effect of magnifying the value of the Sunday school in the eyes of the children and grownups.

#### Suggests a Vacation

Unfortunately, however, the program also suggests that vacation from Sunday school is to begin parallel with vacation from day school. Whereas a few families will go away for part or all the summer, most will not. For all the children whose families remain home nearly all summer, attendance at Sunday school should have even more value than in winter. Besides, the weather usually is better in summer.

Going to Sunday school in summer gives the children something worthwhile to do and helps break up the long week. Moreover, it keeps the child in touch with the grand persons who teach them, and alive to the moral and spiritual ideals promoted at Sunday school.

#### All Year Round

Wise parents go with their children to Sunday school and church the year around, whenever in reach of such. We all need to remember that the "Old Debbul" takes no vacation and that our spiritual batteries need constantly to be recharged.

Another kind of vacation almost as absurd as taking vacation from Sunday school and church in summer is the dropping of instrumental music lessons then by our children. With so much more time on hand for practice, most children should take music lessons all summer. Indeed, some children whose school program is heavy in winter should take instrumental music lessons in summer only. Besides, the habit of work, such as in music practice, would be enhanced by continual exercise during the summer.

#### Parents' Manners

Back to Children's Day. It might be well for parents to watch their manners on that day. Many parents are positively rude then, not to mention their desecration of the spiritual atmosphere implied in the program, and their transgression against the sacredness of the young child's personality.

When, for example, a tot on the program forgets his lines or some thing he was to do on the program, many parents will laugh uproariously as if it were a vaudeville performance. (Continued On Page Ten)

### Eliminations for the 1948

Gloves tourney have started. Wallace and Stassen are knocking each other out.

Harold says Henry hasn't got anything except a tricky left wing and a rabid punch.

And Henry says Harold is the kind of fellow who would accept the vice presidency.

Henry also predicts that there will be no Republicans left in 50 years. . . . He forgot that Dewey, Taft and Bricker have children.

But Henry's predictions always are a treat like. . . . 1944 "This is the century of the common man" and 1947 "This is the century of fear."

Anyway the boys make a good preliminary to the main bout to which both hope to be invited.

## Looking At Life

By Erich Brandeis

While, like thousands and thousands of other Americans, I am usually too lazy to get up in time for church on Sundays, I always read the church news on Mondays.

I agree with almost everything the minister says, and I certainly agree with what they say about divorce.

Every single Monday there are at least two or three items about sermons in which the minister proclaims that there are entirely too many divorces. They give all kinds of reasons, such as deterioration of family life, the war, bridge, alcohol and what not.

Apparently their congregation listens attentively, resolve to improve their minds and their morals—and the same week you read in your paper that divorces have increased over the week before.

Now I'll give you the real reason why there are too many divorces. It's because there are too many marriages.

People should get married, of course.

Marriage is a natural part of life, and without marriage the world would soon come to an end—at least the civilized world would.

But the trouble is that there are too many marriages that had absolutely no chance for success.

I heard of a case just the other day where a girl from a wealthy family met a penniless but very good-looking young clerk, and after an evening at night club they became engaged.

The whole thing—introduction, fun, engagement—took about seven hours.

The marriage was to take place two weeks later.

Then the fiancée started to select her trousseau.

She spent day after day in dress shops, millinery salons, shoe stores and all the other establishments that cater to the well dressed woman.

Altogether she must have put in at least a hundred hours picking her clothes for an event that was to last a lifetime but that took only seven hours to develop.

Seven hours to find a husband and a hundred hours to buy the clothes for the wedding!

Do you think that marriage will last?

Do you think it can possibly last? In business you plan every step carefully.

In your kitchen you spend hours over a meal. It takes careful seeding and cultivating and watering to make a few flowers grow.

But marriage? You meet. You fall in love. (At least you think so.) You have a few drinks. You get engaged. You marry. You quarrel. You get divorced.

That's the law of matrimonial evolution just as surely as there is a biological law of evolution which says that men are descended from monkeys.

Descended? (Copyright, 1947, King Features Syndicate, Inc.)

### GIVING LUNCHEON AT HOME

"Please give some hints on giving a luncheon at home including the time and the menu. I have a maid to take care of service."

Answer: The usual time for a luncheon is between one and one-thirty. And guests should arrive on the hour appointed or a few minutes before; never a few minutes after.

The hostess, who sits or stands near the living room door, goes forward to meet incoming guests and make any necessary introductions.

When luncheon is announced, the hostess leads the way to the dining room with the guest-of-honor. But if there is a host, he leads the way with the woman guest-of-honor and the hostess with the man guest-of-honor comes last. The women follow in groups and the men if there are any present come last. Men, with the exception of the host and the guest-of-honor, do not take the women in as they do at formal dinners.

If the luncheon is formal, the men wear formal day dress. If informal, they wear dark business suits. Women should wear their very dressiest (street-length) afternoon dresses.

A formal luncheon should have a hot entree and an informal luncheon may have cold foods entirely. Place cards are used on the formal luncheon table but guests at an informal luncheon are seated according to the hostess' verbal directions.

Present your problems to Miss Markel who will promptly mail personal replies to questions from readers enclosing stamped, self-addressed envelopes.

Tomorrow—Showering the Bride.

There is some talk of moving the nation's capital to Kansas. Don't know whether we Kansans want that done or not. There is usually enough hot air in Kansas during July and August as it is.—Greenleaf, Kan., Sentinel.

Americans may be childish, as a survey of Britons would have it, but even the most tweedy Englishman must admit that it's nice to have a few growing kids around to take care of one in his old age.—New York World-Telegram.

### Unions' Attack On Labor Legislation Seen As Error Friends Urging Joe Martin To Seek Vice Presidency Crops Hard Hit By Bad Weather Throughout Nation

#### Special to Central Press

WASHINGTON, June 2.—A well-informed member of the CIO's political action staff freely admits that labor erred in going before congressional committees to oppose any and all types of labor legislation. This negative attitude of the official conceder, irritated enemies of labor who were determined to enact some kind of legislation regulating unions and probably resulted in much tougher bills in both branches of Congress.

Most important, the "no, no, no" attitude left labor's friends on Capitol Hill behind the eight-ball.

The PAC expert says labor should have mapped out a definite program of legislation and supported it. Then, he explains, labor's friends in Congress would have had some ammunition with which to counteract punitive legislation.

All of this was second-guessing, however, and union chiefs admit their only hope was a presidential veto.

FROM THE FOG SURROUNDING early developments of World War II comes disclosure that American investigators found a veritable "bonanza" when they took over the German embassy in Washington during the forepart of the conflict.

The chief of the State department's special projects division, Albert S. Clattenburg, reveals that when they opened the embassy safe they found \$3,500,000—in good, old United States hard cash. Then, State department's official "yeggs" cracked the Jap embassy safe. Pickings were slimmer there. It yielded only \$30,000, American money.

The United States government "safe crackers" were disappointed by the amount in the Nipponese vaults—they had expected \$500,000.

SPEAKER JOE MARTIN IS STANDING at the political crossroads and his friends are attempting to entice him down—or perhaps up—an intriguing road for 1948.

They are urging Martin to make a bid for the GOP vice-presidential nomination when the convention meets next year in Philadelphia.

They believe that Martin is the man, should Senator Robert Taft, of Ohio, be named to head the ticket. Geographically, they concede their position would be weak if New York's Governor Dewey gets the presidential nomination again.

Martin is popular not only in New England but throughout the grass roots, where his record of consistent public service rates A-plus. However, Joe is letting it be known that he considers the speakership as second only to the presidency in importance.

If things shape up to their liking, Martin's backers will put the vice-presidential nomination business on a "duty first" basis. They will insist that Joe Martin owes it to the party he has served throughout his political life. Joe may find it hard to say "no" to that one.

BAD WEATHER THROUGHOUT THE NATION threatens the 1947 output of American farmers, who turned out the world's greatest production of food last year.

Spring work on most farms, says the Agriculture department, has been delayed by continued cold and wet weather. As a result, plowing and seeding operations are two to three weeks later than usual. Many acres intended for oats in the northeast and north central states this year were still unplanted as late as May 1. Adverse weather also prevented plowing for corn and other crops in the same states.

In the south, corn and tobacco planting is behind schedule because of the cold and rainy weather in recent weeks. Fortunately, the bad weather hasn't had any disastrous effect on the most important food crop—wheat. The Agriculture department still anticipates a wheat production this year of more than one billion bushels—the largest in United States history.

### Disclosure that Polish authorities

have decided to allocate funds for creation of an international museum on the site of the villainous Nazi concentration camp at Auschwitz raised speculation today as to what—if any—other souvenirs are to be preserved as monuments to the incredible brutality of Hitlerism.

The Polish announcement in Vienna came with a highly particular aptness on America's Memorial Day, when the graves of soldiers who had fallen throughout decades were honored and decorated for their sacrifices.

Human Memory Short

And it served also to emphasize how short is the human memory. Actually, it was not more than a few weeks ago when the sadistic genius who operated Auschwitz was in the prisoner's dock before an allied tribunal.

He was not penitent, not remorseful, not apologetic. He was indignant. Because the indictment leveled against him by the international military tribunal accused him of being directly responsible for the systematic murder of four million Polish prisoners.

It was not four million, said he, with a testy rasp to his Prussian voice. It was only two million.

The mass murders carried out at Auschwitz had only a pale carbon copy in Dachau, a peaceful little town on the end of a one-track railway spur running down into the Bavarian countryside from Munich.

Same Sort Of Gas Chambers

But at both there were the same sort of poison gas chambers, disguised as "shower rooms," and at both the same huge ovens so expertly designed to accommodate

three bodies at a time, each equipped with roller-bearing stretchers that carried the corpses to their ashes.

The Dachau Charnel house bears witness to a neatly-lettered United States War Relocation Authority signboard testifying that only 28 thousand were executed there as against the red-letter total of two million boasted by Rudolph Hoess of Auschwitz.

Yet even this placard is a friable, impermanent thing. American army officers in charge of Dachau are keeping the camp and the torture chambers intact as a remembrance of Nazi horrors.

But all are convinced that once (Continued On Page Ten)

## Governor To Get Flood Of Bills

Approaching Adjournment Of Assembly Starts Many Measures To Governor

### OTHER NEWS OF STATE AFFAIRS

HARRISBURG, June 2.—(INS)—Approaching sine die adjournment of the 137th session of the General Assembly has started a flood of bills moving toward Gov. James H. Duff's desk. In the house, 1344 bills have been introduced while 801 have made appearances in the senate. During the session, the governor has 10 days in which to approve or veto legislation passed by both houses and 30 days after sine die adjournment. More than 150 bills have been approved by Duff since the session started January 7. Past records indicate governors approve roughly only 25 per cent of the bills introduced by lawmakers.

Sen. Frederick L. Homsher (R) Lancaster, chairman of the senate education committee, did not turn in a very good job for the administration during initial attempts to reconcile teachers salaries. Governor Duff proposed annual mandated minimums of \$1800 but the Pennsylvania State Education Association, through Rep. D. Raymond Sollinger (R) Blair, held out for \$2400. Sollinger and his supporters refused to retreat and it was apparent when Homsher met reporters. He even refused to disclose when the committee would meet following a conference of house and senate committees.

House Speaker Franklin H. Lichtenwalter of Lehigh pointedly brought out that despite apparent disinterest evidenced by assemblymen during sessions they really have a collective ear turned toward the rostrum. The reading clerk was droning through a long list of minor appropriation bills, Lichtenwalter was giving the proper but routine parliamentary directions for consideration of the bills and the members were unconcerned. Suddenly, without interrupting his stride, Lichtenwalter switched into Pennsylvania Dutch and the effect was immediately noticeable in the house. Members jerked to attention, stopped conversations and generally collected themselves before filling the house with laughter. To the uninitiated, the apparent lackadaisical attitude of the house can be very deceiving. Actually, it is the result of organization enforced by strict party discipline.

## Low-Rent Housing Evictions To Start

PITTSBURGH, June 2.—(INS)—Clarence Klein, Pittsburgh housing authority administrator, said today that the PHA expects to begin eviction notices this week to families with incomes exceeding the maximum for occupants of low-rent housing projects.

Klein said that nearly 750 families will be moved from the low-rental dwellings within the next 2 months to make room for low-income families. Approximately 60 families will be notified each month, he said.

## Union High School Assembly Program

American Legion Makes Awards; Pupils Also Get Journalism, Typing, Writing Prizes

Union High school students had one of the most impressive assembly programs during the morning of May 30.

The principal, J. Arthur Turek, had charge of devotionals. After the allegiance to the flag, the audience sang Star Spangled Banner. The band of the school presented several instrumental numbers. Mr. Turek then introduced Mr. Jones, chairman of the Americanism Committee of the American Legion. Mr. Jones introduced Mr. Walker of the Naval Reserve who delivered a most inspiring patriotic address.

## SENATOR MARTIN MAKES ADDRESS

Speaks At Graduating Exercises At Geneva College; Assails Wallace Job Claims

BEAVER FALLS, Pa., June 2.—(INS)—U. S. Sen. Edward Martin (R) Pa., today told the graduating class at Geneva college that the federal government could not "guarantee" jobs for 60,000,000.

His statement was an apparent denial of the job claim advanced by former Vice President Henry A. Wallace.

"It is impossible for any free government to guarantee anyone a job," Martin declared. "Jobs depend upon economic conditions."

"Government can encourage commerce, business and employment by fair tax measures, research laboratories and proper international relations," he asserted. "It can go no farther."

Whenever a government makes a job at the expense of free enterprise it deprives its citizens of freedom of action, Martin said.

**Highest Living Standards**

"The living standards of America are higher than those of any other country in all civilization," he pointed out. "Every man in America is his own sovereign and will continue to be, if we assume our obligations."

Martin paused in his commencement address to level another blast at persons advocating ideologies contrary to American concepts.

"They hold forth the false promise of receiving something without effort or work," he explained. "There are those who would weaken the fabric of honest practice to attain their objective in the easy way; the racketeer and profiteer have no place in the social mosaic of America."

"There is such a marked difference between the totalitarian government of Russia and the free government of the United States," he said. "In the one, the individual works when, how and where the government directs. In our country we plan that the individual may select his job according to his own ability and work at the place he considers most suitable."

## Freak Plane Accident Kills One; Injures Three

CONNELLSVILLE, Pa., June 2.—(INS)—A freak accident involving an airplane, a trailer-truck and an automobile today had claimed the life of one man and injured three other persons.

State police reported that David Morris, 38, of Tryon, N. C., was fatally injured yesterday when an army training plane crashed into the cab of his truck while landing at the Connelville airport.

The plane knocked the cab from the narrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a general run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

the truck and then settled on the top of a passing automobile, according to police.

Mrs. Edith Grindle, 55, driver of the automobile, and Miss Sylvia Anderson, 50, a passenger, both suffered slight injuries, police said.

Sergeant Smiley sustained head and face cuts. Airport officials said the plane was enroute from the army base at the Greater Pittsburgh airport.

## HONOR SON AND BRIDE SUNDAY

Honoring their son, Warrant Officer Alexander Stevas, and his bride, Mr. and Mrs. Angelo Stevas entertained 200 guests Sunday night at a dinner and reception at Lake-wood.

Warrant Officer Stevas and Miss Gladys Raugh of Arlington, Va., were married in Washington, D. C., on April 9. His duties with the United States navy made it impossible for the bride and groom to get to New Castle until Saturday and the dinner and reception in their honor followed.

Rev. W. Lobeck, pastor of Christ Lutheran church, offered the blessing upon the meal. Short congratulatory remarks were made by Rev. Lobeck, County Commissioners Earl R. Wimer and Joseph Travers, Speer Marousis and the groom's father. The bride and groom responded pleasantly to the good wishes.

During their stay in New Castle Warrant Officer and Mrs. Stevas are guests in the home of the groom's parents, Mr. and Mrs. Angelo Stevas, 819 Vogan avenue. Mr. Stevas expects to be discharged from naval service within the near future after four and a half years in service.

## Birthday Celebrated

## Seeking Negro In Attack Upon Carolina Bride

RICH SQUARE, N. C., June 2.—(INS)—For the second time within two weeks, Rich Square was the scene today of another manhunt for a negro, this time the alleged assailant of a white woman, a bride of two weeks, at nearby Lasker.

A posse of 100 men was scouring the area for the negro, who, the woman said, came to her house late Saturday night and seized her when she opened the door. Her screams, she said, frightened the negro away, and then she fainted.

Northampton County Solicitor E. R. Tyler, who was a member of the posse, said that two negroes were arrested near Lasker and charged with having aided the woman's assailant to escape. Tyler said the

two negroes in custody later were removed to another jail for safekeeping.

Less than two weeks ago a young negro, Godwin Bush, an alleged rapist, escaped from a mob that took him from the jail at nearby Jackson. He later surrendered to authorities and was held for trial in the state prison at Raleigh, N. C. Feeling against negroes was reported "running high" at Rich Square today, but Sheriff J. C. Stephenson said there was no evidence of "mob spirit".

## Y.W.C.A. Executive Director Reports On All Committees

Executive director of the local Y. W. C. A., Miss Marguerite D. White, has submitted the following report for the work of all committees during the past year:

**Report Of Executive Director**  
All Y. W. C. A. committees have begun to function more effectively now that members are not so much burdened by war duties and anxieties. During the war it was inevitable that committee meetings had to be interrupted and decisions made by the employed staff. Now volunteers are taking over more of the normal policy-making and are participating in the actual work of the association.

Membership captains and their teams have helped splendidly this year at the time of the World Fellowship and all association dinner at the Cathedral, and in the organization of the summer camp as well as in the regular membership gathering with its follow-up work of seeing that every single member was invited to renew her membership and in securing over 200 new members. These membership workers the arteries by which new life is brought into the association and we are grateful for their interest and concern for the kind of fellowship and service the Y. W. C. A. can provide.

Reconstruction campaign gave us an opportunity to know more about our Y. W. C. A. in other countries. We marvel at their steadfastness during the long war years. In this, the Y-Teens have also taken an active part with their sweater hops and rummage sales and other gift projects. More clothing is still needed for overseas and anyone who can sew is invited to meet with the group sponsored by the International Institute committee on Tuesday evenings to make underclothes, when their new lace tablecloth is finished.

A leadership institute in Pittsburgh was attended by 10 New Castle delegates from both branches, as well as 120 women and girls from 23 cities in the Pittsburgh area. There had been 25 of these institutes over the whole United States and the volunteer chairman from New Hampshire and four Y. W. C. A. national secretaries brought us many new program ideas. One of these was how not to be afraid of "controversial issues" but to try to get the facts on any problem, and then as Christian women to act as helpfully and progressively as our community was ready. We learned much about how to let our own members know about community and world problems and to trust that when Christians know the whole truth they will do something creative and wise about the problem.

As for the everyday job of the executive director, part of it is to follow out the policies and decisions of the board and committees, part of it is to read national program books and magazines to find suggestions to pass on to the clubs and committees. Another part of the job is just looking after the ordinary everyday housekeeping emergencies in this big 62-year-old building, in order that 16 dormitory girls, community and Y. W. C. A. groups, and first floor tenants may have a comfortable, friendly place so many of them appreciate.

**MAY** we invite you to visit this week's opening of our newly decorated galleries. It has taken us nearly a year to collect the items of furniture that are now on display, and you'll agree with us that it was well worth the effort. You'll see for the first time the new design trend, "American Informal", a clever blending of traditional and modern design features, fabrics and accessories. Three distinctive groupings: Living Room, Dining Room and Bedroom.

## Baccalaureate Held At Bessemer High

Rev. J. M. Ahlstedt Speaks To Senior Class; Commencement Scheduled Tuesday Night

The 1947 graduating class of the Bessemer High school, held their baccalaureate service Sunday evening in the school auditorium with Rev. Jerome M. Ahlstedt, pastor of the Swedish Mission Covenant church delivering the baccalaureate sermon.

The thoughtful and inspiring sermon preached to the 34 seniors, was centered around the theme "Liberty Limited" with the thought taken from the passenger train of that name. The text of the sermon was taken from Christ's words, "Come unto Me all ye that labor and are heavy laden, and I will give you rest."

Rev. Ahlstedt reminded the seniors that they are going out into a world that is harassed by social ills and they are not entering a world of unlimited liberties. Each point of his well received address were stressed with logic and simplicity. The class will meet together for the last time on Thursday evening, when Commencement exercises will be held in the high school auditorium, at 8:15 o'clock.

The baccalaureate program as presented was as follows: Professional: "Faith of Our Fathers," Congregation; Invocation, Rev. Jerome M. Ahlstedt; Scripture reading and prayer, Rev. E. Chester Crabbs; Ninth and Tenth Grade Chorus, "Father O Hear Me," arranged by F. Melius Christiansen. "Before the Shrine," Deems Taylor; Baccalaureate Sermon, Rev. Jerome M. Ahlstedt; "God Be With You," Congregation; (Congregation will rise and remain standing); Benediction, Rev. Jerome A. Ahlstedt; Recessional.

## GI Ingenuity Pads Allowance On Pitt Campus

Ex-Servicemen Studying At University Use Many Ideas To Add To Income

PITTSBURGH—(INS)—Youthful American ingenuity is at work on the University of Pittsburgh campus where the GIs find their stipend under the bill of rights insufficient to meet month-end bills.

And some of their sideline jobs are a bit unusual.

For instance, a former navy man with 27½ months of service—who apparently has found the sailor's hornpipe could be no deterrent to ballroom dancing—now is a dance instructor for a nation-wide firm specializing in that sort of thing. He's Edward J. Lauth, married and a father.

A former petty officer in the Waves, Grace Staller Cartus, teaches link training to Pitt aviation students, and Joseph Dym has a 14-piece dance orchestra.

But one of the most unusual, perhaps, is Jack Grimes.

Last fall Jack took a job as a guide with the Pittsburgh Chamber of Commerce. He liked the job and it paid well. Now he has his own guide service to show visitors the places of interest around Allegheny county.

And another with an unusual occupation is Henry Miller, a senior in business administration. He is a candy manufacturer, and supplies a Pittsburgh distributor daily.

All through the list of 9543 returned GIs, both men and women, the unusual sideline occupations crop up daily—even to Joseph T. Davies, who assists a Pittsburgh market research organization to conduct public opinion polls on commodities ranging from deodorants to magazines.

The origin of the word "punch" as applied to beverages, is supposed to come from the fact that mixing wine, water, lemon juice, sugar, and spice was brought to England from India. The Hindu word "punch" meaning five, probably refers to the usual number of ingredients.

## William W. Braham Is Graduated Today At Mercersburg

Heading his class as valedictorian, William W. Braham, son of Judge and Mrs. W. Walter Braham, was graduated today from Mercersburg academy. The class was one of the largest in the history of the school, there being 150 in it.

In addition to being the valedictorian of his class Mr. Braham won the senior medal, the Elder prize in American history, an athletic scholarship prize, a gold chain scholarship in senior German and a similar special mention for distinguished scholarship in American history.

Mr. Braham was a member of the Cum Laude society, the memorial committee of the senior class, the class day committee of the senior class, the senate (student governing body), the Fifteen, an honorary English society, Rauchrunde, an honorary German club, the Marshall literary society, a member of the staff of the Mercersburg News, a member of Laticlav, an honorary Latin club, the Chemistry club and a chapel usher. In sports he took part in junior varsity baseball and swimming, winning his letter in the latter.

## FIRST FOREIGN STUDENT CHOSEN FOR '47 SEMINAR

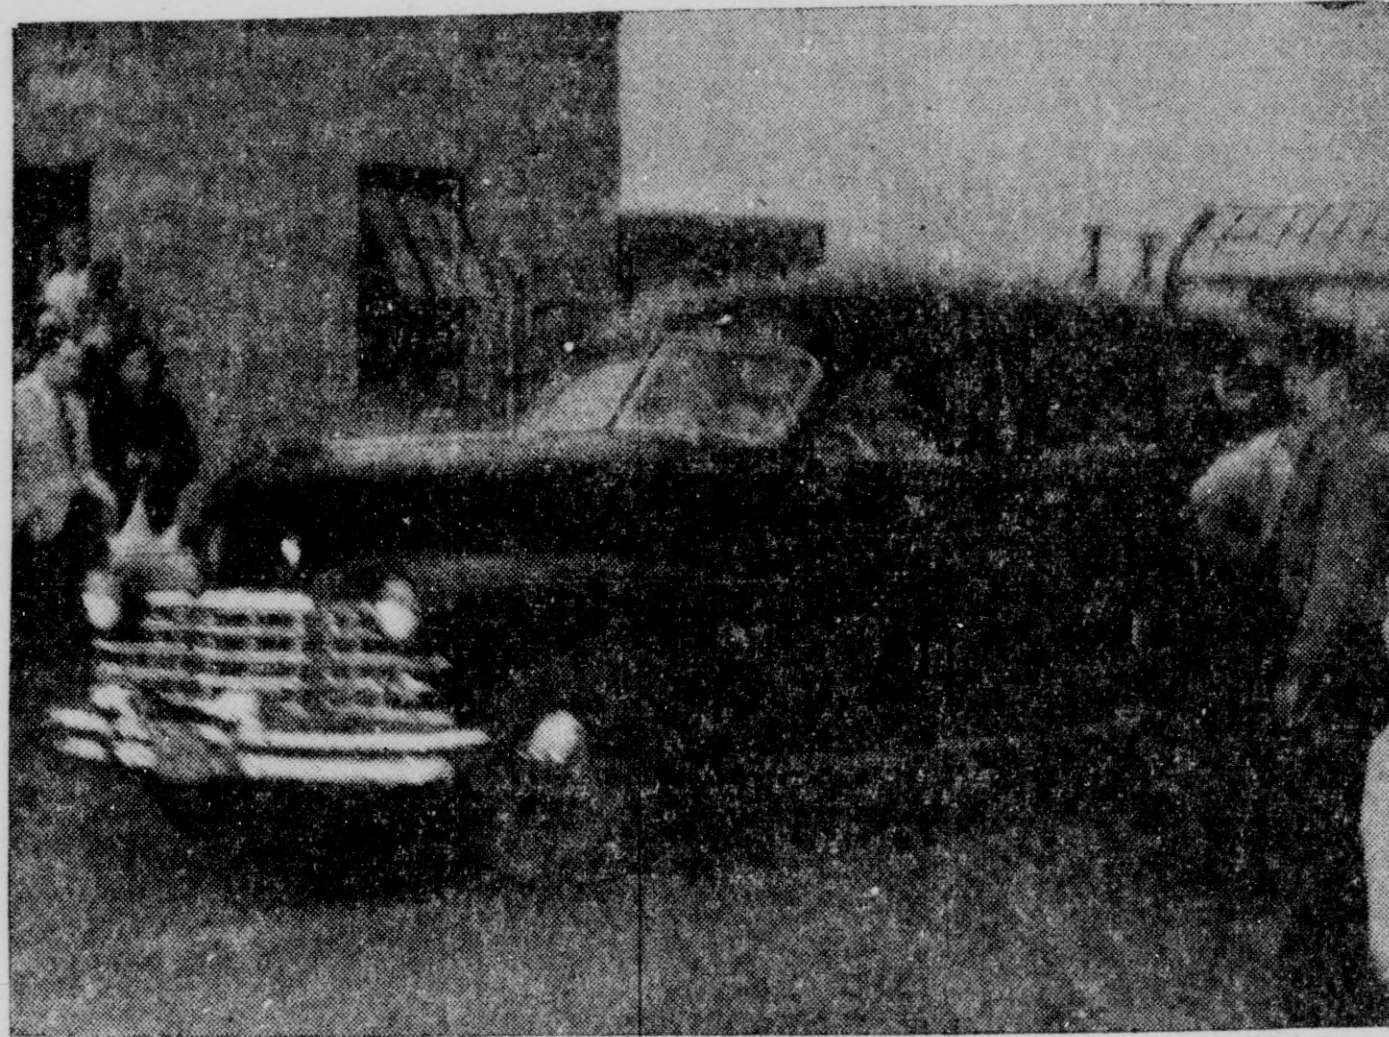

PHILADELPHIA, June 2.—(INS)—A Swarthmore college student, Marie Byrne, is the first foreign student in this country chosen to participate in the 1947 international service seminar program.

Miss Byrne, 25, came to America a year ago from her home in Stavanger, Norway. After completing her English, literature and education courses, she plans to teach in Norway.

Two other Swarthmore students will also participate in the seminars. They are Nancy Okazaki, 18, of Honolulu, and Paul Spencer Guinn Jr., 18.

Nancy plans to teach in a Japanese university, and Paul, son of the American consulate general in Istanbul, hopes to enter the United States foreign service.

Waldo Cub Pack No. 6

One hundred persons, including cubs, den chiefs, den mothers, den dads, the pack committee, and parents, met in Waldo school Saturday evening for a tureen dinner. An hilarious baseball game played by the cubs against the dads followed.

Cubmaster Joseph L. Pitzer officiated at the pack meeting in the school building opened with the invocation by Dr. R. M. Patterson.

The Court of Honor was composed of the pack committee, William J. Caldwell, Wilbur A. Folt, Thomas Smathers, William Murphy, Dr. Patterson, and den mothers, Mrs. W. A. Folt, Mrs. William Murphy, Mrs. Clyde Altman, Mrs. Claude Wagner and Mrs. Merle Thorn.

One year's service stars were awarded Joe Brooks, Keith Diehl, Ed Morris, David Morgan and Andrew Kahner.

Two new cubs were initiated, Darrell McGaffie and Eddie Dingley.

Gold arrow point awards for 10

additional achievements were presented to Bill Thorn (lion), Fred Boley (wolf), Ed Morris (wolf), Darrell Kennedy (wolf) and Lynn Pitzer (bear).

Silver arrow points for 20 additional points were presented to Eddie Morris (wolf) and Keith Diehl (wolf).

Promoted from bobcats to the wolf classification were Fred Boley, Dick Speck, Kenneth Wagner, Stuart Moore, Darrell Matthews, and David Kendall: from wolf to bear, Bob Patterson, Bill Gibson, Bill Murphy and Darrell Kennedy; from the cub to scout organization, Bill Thorn.

Michael Schuller was installed as assistant cubmaster to take the place of Howard Lewis, who has moved from the city.

Following the Court of Honor Mr.

Smathers showed three short cub scout movies.

On Memorial Day the cubs took part in the parade and they will bring their year's activities to a close with the promotion of cubs to scouts to take place at Scout Camp Saturday evening, June 21, to be preceded by a wiener roast at 6:30 o'clock.

VICTORVILLE, Calif.—(INS)—

Geological parties have been organized will scour the mountains bordering the Mojave desert in the belief that last month's earthquake may have exposed new mineral veins. Experts said that the once rich mining region is laced with a network of faults and scientists hold that the recent tremor may have paved the way for new mining developments.

## Grand Jury In Session Today

Bills Of Indictment Are Being Considered Preliminary To Court Term

## OTHER NEWS OF COURT HOUSE

Lawrence county grand jury met this morning at nine o'clock at the court house. Following roll call by Prothonotary and Clerk of Courts John A. Edgar, the members were instructed in their duties and immediately set about considering the bills of indictment handed up by District Attorney Leroy K. Donaldson.

## HOURS ARE CHANGED

Court house offices opened a half hour earlier today than they have since last summer. The offices go on the eight-to-four schedule today and will continue through August. The offices will also close a half hour earlier, and from here on until just short of Labor Day the closing hour will be four.

## Lawrence County Farm, Home News

By Extension Representative, Lewis C. Dayton, Agriculturist, Miss Emmeline Mehman, Home Economics.

## CHEMICAL WEED KILLERS CALL FOR PRECAUTIONS

The so-called 2, 4-D materials, either as spray or dust, have been very successfully used to eliminate broadleaved weeds from lawns, golf courses and other turf without damage to the grass or fescues, but the bent grasses, along with white clover, are susceptible of serious damage.

When it comes to using 2, 4-D compounds on farm crops, certain precautions need to be observed. The 2, 4-D will kill wild mustard and wild radish in oats. Apply when the oats are small—5 to 6 inches—for best results.

Late spraying, after the oats joints, may hurt the grain crop. Sprayed on oats, 2, 4-D will also kill legumes, such as clover and alfalfa sown in the oats, and prevents the germination of seedlings for some time after its use.

Using 2, 4-D on corn is dangerous. If any considerable amount comes in contact with the corn blades the corn may become very brittle, fail to produce brace roots and be seriously deformed, with the result the yield is greatly reduced.

Many plants, particularly tomatoes, are so susceptible to 2, 4-D that a very small amount drifting on them is likely to be fatal.

Weeds in clover or alfalfa fields cannot be sprayed without damage to the clovers. Some perennial weeds, such as horse nettle, are very resistant to 2, 4-D. Canada thistle generally will require several treatments. Quack grass is not affected, and crab grass in lawns cannot be killed by 2, 4-D after it is well started.

Late spraying, after the oats joints, may hurt the grain crop. Sprayed on oats, 2, 4-D will also kill legumes, such as clover and alfalfa sown in the oats, and prevents the germination of seedlings for some time after its use.

## BREAK SURFACE CRUST IN VEGETABLE GARDEN

When the ground dries off enough to get into the garden the first job will be to break up the surface crust formed as a result of recent heavy rains.

Breaking the crust will let air down into the soil, and will help some crops, such as recently-planted corn and beans, get through the soil. Only gentle stirrings to break the soil crust are permissible to help shallowly-planted crops such as lettuce and carrots get through.

Stirring in the soil to break the rain-formed crust has the added advantage of killing the first crop of weeds. Destroying the weeds while they are young is a much easier job than to wait until they get big. Side-dressing vegetables with a high-nitrogen fertilizer (regular garden fertilizer will do) will hasten their growth.

## FARM-CARE ADVICE

WASHINGTON—(INS)—Heading the list of farm accident victims are those hurt or killed by farm machinery. Many of these accidents are caused by operators leaving guards off the mower blade, or

leaving the gears, chains, and shafts exposed where they will catch clothes. Another common cause of machinery accidents is the effort to unchoke a mower, thresher, or feed grinder with the power source still running. Time may be gained, and

lives saved by stopping the machine for the few minutes needed in oiling or making repairs.

Highest point in Oklahoma, 4,978 feet above sea level, is in the state's panhandle.

## CITIZENS SAVE BRIDGE

ATLANTA, Ga.—(INS)—A 93-year-old covered bridge which spans the Tugaloo river between Lavonia, Georgia, and Fairview, S. C., will be preserved as a memorial to days gone by. Plans for a new, modern

steel bridge brought citizens on both sides of the river up in arms. The South Carolina Press Association drew up the resolution asking that the structure be preserved and willing signers in both states saved the old bridge.

Ward School Pupils  
Are Given Awards

Band Gives Program; School Letters And Awards Presented At Special Chapel Event

Introduced by stirring band music played by the school band, conducted by Mrs. Gladys Thomas Pollard, a special chapel program was presented in the Mahoning school auditorium May 29, at 2:30 p. m.

School letters and special school awards were presented at this time to those meeting the requirements, which included scholarship, attendance, cooperation, leadership, courtesy, sports, activities, citizenship, and other points of character. The letter M or letter M plus, either one or two bars denoting one or two years extra award beyond the letter, is the highest award Mahoning school can offer. It is given only after careful consideration of each pupil who is eligible. Many of the pupils, according to word from the school office, who almost passed the requirements can with a little more effort win their letter next year. Those who have won a letter should wear it proudly, and remember to live up to the standards which the letter represents.

formance, even though the child was expressing or interpreting something of a serious and reverent nature. As a result he may be all mixed up in values, supposing that what he has just said or done was a mockery and he a person to be made a fool of.

Many a tot performing alone on such a church program has fears inspired in him from which he may not soon recover. Why should not adults, especially parents, have more self-control and consideration of the personality of a child?

Perhaps the leader of these programs should warn parents against smiling and laughing at the child and rebuke them if they should transgress. Perhaps the tot rarely should appear alone on such a program, but in company with others of about his age. I have written a prayer for us parents, to be had in a stamped envelope by writing me at 235 East 45th Street, New York, N. Y.

States was two hundred billion dollars a year and that plenty of security for the money which the Treasury Department printed. Well, the income of the people of the United States was probably in the neighborhood of two hundred billions dollars a year, but how long will it be two hundred billion dollars a year? Just as long as the government returns to absolute sanity—ceases to spend the people's money irrespective of the amount of money in the Treasury.

There is a great anti-economy propaganda going on just now in an effort to fortify the President's budget requests. When the President's budget requests for the Customs Service and the Labor Department were reduced, there arose a cry that the country would suffer tremendously. As regards the Customs Service, while the Presidential budget for this service was cut by

some Three Million Five Hundred Thousand Dollars, the actual appropriation approved is Three Million One Hundred Sixty-Five Thousand Dollars more for 1948 than for 1947.

In the case of the Treasury Department complaint is being made that a reduction in the presidential budget will hamper its income tax investigations. But no mention is made of the fact that the department during the days of the OPA carried an army of eight thousand sleuths to investigate black market incomes—an army that is no longer required or justified in present circumstances.

The true fact is that the Republican majority is trying to promote some real saving to the taxpayers by ridding the payrolls of more than two and one-half million employees, costing in salaries alone more than three billion dollars. The idea that we should retain in time of peace a horde of employees originally justified by the plea of "war emergency" to simply New Deal policies.

It is going to take a meat axe to get rid of certain things. The Republican majority believes that the taxpayers are more entitled to relief than the parasites are to places on the payroll.

The way to reduce is to reduce.

Because Bill's income is over \$20 a month, the university charges him \$44 a month for his half of a quonset. Right at the start that takes a big bite out of the family income. Bill and Betty are trying to save up money for the new baby. They estimate the cost will be a minimum of \$150, and that means leaving the hospital for the quonset hut as soon as the doctor permits.

I asked Bill when he found time to study. Third-year engineering isn't a pipe course. Grinning at this question, he said that study had to be sandwiched in at any and all hours. The couple next door, he pointed out, are both taking full courses, the husband in the daytime and the wife at night.

Both Betty and Bill are feeling the burden. The doctor tells Bill he must slow up. Betty, who is pretty and delicate-looking, is not well.

## Sees Big Need For Air Safety Board

Senator Regards Plane Disasters As Convincing Proof Of Need

WASHINGTON, June 2.—(INS)—Sen. Pat McCarran (D) Nev., declared Saturday that America's Memorial Day week-end airplane disasters are another demonstration of the "indispensable" need for an air safety board.

McCarran, who three days ago made public an appeal from Capt. Eddie Rickenbacker, president of Eastern Airlines, for restoration of funds for the CAB, said of the United Airlines crashes:

"I attribute this thing primarily to a lack of sufficient care to safety and examination."

"These two crashes apparently came about through some mechanical difficulty... it all goes back to proper inspection. When the board reports on these disasters, it will practically be reporting to itself."

"Give us an independent board. That's my answer to it."

Sen. Edwin Johnson (D) Colo., a member of the interstate commerce committee, said he believed that group will "first want to hear from the experts" before taking any action. Johnson said:

"Political action isn't indicated at the moment. After the experts talk, maybe it will be necessary."

Johnson said the crash of the Eastern Airlines DC-4 in Maryland "seems so much of a mystery" that the Civil Aeronautics Board should be given a chance to investigate before congress steps in with an inquiry.

He added, however, that he was certain the aviation subcommittee headed by Sen. Owen Brewster (R) Me. will "take considerable interest and anxiously await" the CAB findings.

Brewster was in Maine for the week-end.

## SCOTT'S SCRAP BOOK

By R. J. SCOTT

## Around Hollywood

By JOHN TODD

International News Service Staff Correspondent

HOLLYWOOD, June 2.—(INS)—

The Nancy Guild-Charles Russell marriage is all sweetness and light, even though Nancy never had poached an egg before their wedding day a month ago.

"I started learning to cook when we were married and in the whole time I have never had one complaint from Charlie," Nancy said. "he likes my cooking."

"Not one complaint, that's wonderful," said your reporter. "Of course, I haven't tried anything fancy. I just take the cookbook and I follow instructions to the letter. Last night, we had our first guests to dinner and I even had scalloped potatoes."

Your reporter interposed: "That's really a wonderful record, because I've known some young husbands who suffered frightfully while their brides were learning to cook. There's nothing they could do about it but groan inwardly."

Said Nancy: "Oh, not Charlie, of course. I have stayed on very simple things, like steaks, and I always get the best cuts. That's a help. Charlie is very pleased with my cooking."

Charlie, as well as Nancy, is working in "Off To Buffalo" for Brother Zanuck so your reporter said: "I think I'll go over and see what Charlie has to say about it."

Nancy beamed and said: "You go right ahead and see what he tells you."

Your reporter cornered Charlie without any difficulty and said: "Your beautiful bride tells me she's just learned to cook since your marriage and you think she's doing swell."

Charlie came right back: "Yes, she's doing wonderfully." Your reporter continued: "She said you haven't complained even once."

Charlie hesitated a moment before replying: "Well," he said, "a couple of weeks ago she cooked some asparagus that was mighty hard."

"You didn't say anything about it to her, did you?" your reporter inquired. "Of course," said Charlie. "I told her it was hard. Was that wrong?"

"You see, when we were married, we decided that if she could learn to cook well it would be much better to eat at home. If she couldn't, then we might as well eat out."

"That's the way we decided it. There wasn't any sense getting indigestion."

"But, everything's wonderful. Everything is really swell."

Folks, we'll just forget about the asparagus.

## Win Latin Honors At Senior High

Announcement Is Made Of Awards For Year; Harvey Bush Given Summa Cum Laude

Latin honors for 1946-47 have been posted at the senior high school. These honors are highly valued by the students not only as an evidence of class-room distinction, but also because the recipients are assured of membership in Senatus Romanus, the honorary club of the department of classics.

Harvey Bush, who received the Summa Cum Laude award in the Vergil class is also the winner of the ten dollar cash prize for outstanding excellence in Latin given for many years to the graduating class by the Lawrence County Bar Association. All the students chosen for honors in Vergil receive handsome medals properly inscribed from Senatus Romanus.

Others Honored Besides Harvey Bush, the other Vergil students honored are as follows: Magna Cum Laude, Penrith Goff; Cum Laude, Carol Patterson, Chris Papizikos, Constance Miller and Marilyn Wagner.

Cicero honors were awarded to Donald Levine, Summa Cum Laude; Donna Norris, Magna Cum Laude, and Lois Baum, Charles Cobau, Nancy Lamancusa, and Pauline Christos, Cum Laude.

Caesar honors were awarded to Donald Weisbaker, Summa Cum Laude; Dolores Weidner, Magna Cum Laude; Nancy Hinish, Thomas Baatz, David Miller, Carol Gilmore, Robert Dewberry, John Wajert, Robert Brown, Audrey Simcoke, Doris Livermore, Sally Hogan, Joseph Pezzuti, Margaret Gilliland, Dick Smith, Richard Stevens, Margaret Zeigler and Alfred Serifino, Cum Laude. This long list represents the students with the highest average ranks in a series of six objective tests given simultaneously to the entire group. Ten percent of the entire group studying Caesar was chosen.

## "UNBLOCK" your DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda and Alkalizers

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when the lower part gets blocked food may fail to digest properly.

What you want for real relief is something to "unblock" your lower intestinal tract. Something to clean it out effectively—help Nature get back on her feet.

Get Carter's Pills right now. Take as directed. They gently and effectively "unblock" your digestive tract. This permits all 5 of Nature's own digestive juices to mix better with your food. You get genuine relief from indigestion so you can feel really good again.

Buy Carter's Pills today. "Unblock" your intestinal tract for real relief from indigestion.

## Toll Of New York Plane Crash Is 42

NEW YORK, June 2.—(INS)—The death toll in the crash of a United Air Lines DC-4 at La Guardia Field Thursday was up to 42 today, with the death of Margaret Leedlin, 30, of St. George, Staten Island, in Flushing Hospital, Queens.

Five other victims are still hospitalized. One of them Samuel H. Seroy 51, of Cleveland, was reported to be in critical condition at Flushing Hospital.

Stewardess Marjorie Oldsen of Los Angeles and passengers Herbert Gunther and Mr. and Mrs. Mack Gordon, all of Cleveland, were said to be improving.

Vote On Tuesday In New Jersey

TRENTON, N. J., June 2.—A light vote is expected in New Jersey's primary election tomorrow because of the absence of balloting for any statewide position.

The only interest in the election is the election of delegates to a state constitutional convention to be held on the Rutgers University campus at New Brunswick this summer, and the authorization of such a convention.

DAMAGES RESIDENCE

Residence of Edward Winter, West State street, was damaged when struck by an auto operated by Samuel Long, R. D. 2, at 6:25 p. m. May 31. Long reported to police he tried to avoid a boy who ran into the street and lost control of the car.

## Training Plan Hearings To Be Started Shortly

WASHINGTON, June 2.—(INS)—Rep. Andrews (R) N. Y., chairman of the House armed services committee, said today that hearings probably will begin within 10 days on the universal military training plan urgently recommended by President Truman's special advisory commission.

Earlier the White House disclosed that Mr. Truman will send to Congress this week the sensational report warning of the dangers confronting the nation in the atomic age.

Andrews announced that his committee will meet tomorrow to consider whether hearings will be held. He added:

"I think we'll begin hearings in a week or 10 days."

## Civil Aeronautics Board Under Attack

WASHINGTON, June 2.—(INS)—Rep. Miller (R) Md., today charged the Civil Aeronautics Board and the Civil Aeronautics Administration with "gross negligence, irresponsible administration and dereliction of duty" in the crash of a United Airlines plane at LaGuardia Airport in New York.

Miller told the House that a personal probe of the tragic accident convinced him an investigation "will substantiate my findings."

Subsequently, Rep. Wolverton (R) N. J., chairman of the House Interstate and Foreign Commerce Committee, which has been holding hearings on air safety since January, announced that a group would sit in with the CAB when it investigates the LaGuardia accident and the crash which occurred the following day in Maryland.

## Missing Youngsters Have Been Located Near Harrisburg

HARRISBURG, June 2.—(INS)—State police reported today that two youngsters lost in a wooded area near Harrisburg had been found unharmed at the foot of a mountain.

They were James B. Watson, 4, of Picketown, and Bernard G. Watson Jr., 3, of Harrisburg.

The boys were scratched and badly frightened, police said, but suffered no other harm.

A party of neighbors and police found them sobbing and clinging together following a six hours' search in the area. The children disappeared Sunday during a family reunion at Picketown.

## Extra Police Are Sent To Ford Plant

DETROIT, June 2.—(INS)—Police reinforcements were sent to Ford Motor company plants in the Detroit area today to avert violence in the reinforced strike of 3,800 foremen.

Extra police squads were summoned when 40 striking members of the Foreman's Association of America allegedly attempted to stop supervisory employees from entering the River Rouge plant.

The FAA picket lines at the strike-bound Rouge, Highland Park and Lincoln plants were strengthened last night after the strikers voted unanimously to continue their 13-day-old walkout.

The foremen also rejected a company proposal that they return to work while issues are being resolved.

**MILK STATISTICS**  
HARRISBURG, Pa., (INS)—Pennsylvania's 1946 milk production totaled 5 billion 319 million pounds, 85 million pounds under the previous year's total, the state Agriculture Department has reported. The all-time record milk output for the Keystone state was established in 1945 when the production totaled 5 billion 404 million pounds, the department added.

## Dairy Queen To Be Chosen Here

Attractive Young Farm Miss Being Sought To Represent District At Erie Contest

Some attractive young woman, residing on a dairy farm in Lawrence County will have the opportunity of representing Lawrence County in the state-wide contest to choose a Pennsylvania Dairy Queen at Erie, June 11, Chairman Morris M. Fulkman, of the production and marketing administration here announced today.

The selection of a dairy queen to represent Pennsylvania is being undertaken for the purpose of impressing the public with the value of milk as a food, and also as an appropriate suggestion for National Dairy Month, which occurs during June, the month of greatest milk production in this country.

The qualifications established by the PMA for contestants, are as follows:

First—The queen must be a resident of a dairy farm and may be attending school, or otherwise employed, but must be a practical farm girl.

Second—She must be between the ages of 16 and 21 inclusive, and never married.

Third—At the time of the contest, she must wear a simple cotton frock.

Fourth—At public appearances after the ceremony, the queen may wear an evening gown.

Fifth—The successful candidates will form a court of honor for the preceding queen.

Sixth—Beauty, poise, personality, and voice shall be considered equally in selecting the queen.

The queen will probably make a number of public appearances throughout Pennsylvania, following her selection. Mr. Fulkman states, Granges, schools, or other rural organizations may enter candidates. Any girl wishing to enter the contest, who is qualified under the foregoing rules is asked to submit her name to the production and marketing administration, second floor, court house annex.

The time and place of the local contest will be announced in a few days by the local committee.

## Faces Trial For Broadcasting Of Nazi Propaganda

BOSTON, June 2.—(INS)—Douglas Chandler, 54, expatriate American newsman, begins in Federal District Court today a fight for life in the first "radio" treason trial. Chandler is accused of broadcasting Nazi propaganda from Berlin during 1940. He allegedly used the title "Paul Revere" as he sneered at President Roosevelt and the British empire and appealed to isolationist sentiment.

Eighteen European mystery witnesses were on hand to testify for the government. They were flown to the United States during the past months from Germany, Austria and Italy. Prosecutors declined to discuss roles the witnesses would play in the trial.

Chandler, who allegedly broadcast attacks on Jews in accordance with the Hitler doctrine, is accused of having termed the United States "Uncle Sam's flophouse for European down-and-outers."

## Make Progress In Korea Discussions

SEOUL, June 2.—(INS)—A communiqué said today the Russo-American Joint Commission on Korea had made "rapid progress" in the day's deliberations on the matter of consulting native political parties in connection with a proposed Korean Provisional government.

The first of new daily bulletins on the Seoul American-Soviet Conference said the commission will release in a few days a questionnaire to be presented to Korean political leaders as part of preparations for a national government.

The bulletin said the full Russo-American Commission will meet again Wednesday.

## FACULTY CHANGES

NEW WILMINGTON, June 2.—Reed Groninger, assistant professor of education at Westminster college, left Friday for his former home at Logansport, Ind., to accept a position as veterans' rehabilitation director for the state of Indiana. Mr. Groninger came to Westminster last fall.

Stewart Schrack, assistant professor of psychology, has resigned his post to become vice principal and guidance counselor at York Central high school, Retsof, N. Y.

## To Get Degrees June 9

NEW WILMINGTON, May 29.—Atty. Edward O. Taber, center, prominent Pittsburgh attorney, will deliver the commencement address at Westminster college, June 9. He will also receive an honorary Doctor of Laws degree. Others to be honored are Rev. James Guthrie, Foral Park, N. Y., (upper left); Rev. Samuel Shane, Pittsburgh, (upper right); Rev. Donald McClure, missionary to Sudan, (lower left); Rev. J. Alvin Hazlett, Jamestown, Pa., (lower right).

## "Train Of Tomorrow" Formally Unveiled

By WILLIAM COLLINS (U.S. Staff Correspondent)

CHICAGO, June 2.—The "Train of Tomorrow" was formally unveiled here recently.

General Motors put on public exhibition its four-car Diesel-powered train designed to give the traveling public greater traveling comfort and enjoyment.

The train was conceived and built with an eye to the railroad's problem of wooing the traveler to the steel ribbons criss-crossing the nation. This despite GM's position as a manufacturer of automobiles and buses.

Train of Tomorrow  
GM's "Train of Tomorrow" was placed on public exhibition in Chicago's Soldiers Field today, after a "shakedown" run to French Lick, Ind., over the Monon Railroad.

The train has some 80 railroad "firsts" incorporated into its

four required types of cars—diner, sleeper, coach and observation.

The most radical innovations are the "astra-dome" on each car, a new method of suspending the car bodies which eliminates side-sway, and the four floor levels.

The varying floor levels make possible the astra-dome, and the method of suspension makes riding in the astra-dome possible for passengers who might possibly suffer sea-sickness from a side-sway.

## Glass-Enclosed Penthouse

Each of the four astra-domes is actually a glass-enclosed penthouse, seating 24 persons in comfortable and adjustable lounge chairs.

The traveler is afforded a view in all directions, including straight up. The windows are made of heat-resistant, non-glare glass, protecting passengers from a hot, glaring sun.

The train is sound-proofed, and each car has its individual air-cooling system.

No matter what it may or may not be to the traveling public and to the railroads, the "Train of Tomorrow" is a housewife's dream of modernity and comfort and efficiency. It is streamlined inside as well as outside.

Curved surfaces are utilized to eliminate dark, sharp, dust-catching corners.

## Easily Cleaned

The floor and wall coverings are of a surface so treated that finger prints, ink and lipstick stains and other marks can easily be washed away.

Fluorescent lighting is used throughout, and virtually all windows are "picture windows."

The galley is all-electric.

The train has a public address system, and a telephone over which passenger may make and receive calls to and from home or office.

After being shown in Chicago, the train will be taken to Detroit, where it will be placed on exhibit June 2. It will be shown throughout the nation in the summer and fall months, and eventually will be sold to a railroad.

## Hoffman To Show Painting Exhibit

New Castle Student At Carnegie Tech To Have Exhibition Of Painting Done In India

PITTSBURGH, June 2.—Everett C. Hoffman of New Castle, veteran of the Army Air Forces and student in the department of painting and design, Carnegie Institute of Technology, will exhibit a group of water colors, pen and ink drawings, and pastels which he did in the service at the Arts and Crafts Center, Fifth and Shady Avenues, Pittsburgh, from June 14 to July 6.

The work which he is exhibiting has previously been shown at the B-29 club, Kharagpur, India, and in one-man shows at the Denver Art Museum, the Cleveland Museum of Art, and the Intercultural Library, Cleveland, in connection with the exhibit, Hoffman will distribute copies of a poem he has written entitled "Man of India" which was first published in "Cano," Carnegie Tech literary magazine.

Hoffman served with the 20th Air Force in India and also in the Southwest Pacific. He returned to Carnegie Tech a year ago to complete his studies under the GI Bill of Rights in the College of Fine Arts where he is majoring in pictorial design. His fraternity is Beta Theta Pi.

He is the son of Mr. and Mrs. Charles Hoffman, 805 West Washington street, New Castle, Pa.

## Garden Notes

If grape hyacinths are allowed to go to seed, they will self grow, as a rule, over a large area.

Lettuce resents crowding. The plants should not touch one another. In fact, overcrowding is the reason most head lettuce does not "head up" in the home garden.

Since fresh, green lawn clippings soon become very hot, do not spread them more than an inch or two deep at each application when mulching soft green plants of low growth.

Thin out vegetable seedlings when

the ground is moist, otherwise the remaining plants may have their roots disturbed. It is best, too, to thin on a cloudy day.

Cabbages, tomatoes and sweet corn should not be cultivated very much after the plants have begun to grow well, except for mere scraping of the ground with a garden scuffle hoe to kill weeds. Deep cultivation is apt to injure the roots of the plants, which grow close to the surface.

Although water lilies will bloom in water varying in depth from four inches to four feet, it has been found that they do best in shallow water from six to eight inches deep. This is the distance from the surface of the water to the crown of the tuber.

## WARREN ORCHARDS STRUCK BY FROST

WARREN, Pa.—(INS)—Recent heavy frosts and cold weather caused widespread damage to plum, cherry and peach orchards in the Warren area, according to County Farm Agent O. C. Tritt.

Fruit growers reported that the frosts did little damage to apple orchards, however.

## TYPES OF SOIL

WASHINGTON—(INS)—A farmer can do better with a timber crop than with an agricultural crop on certain types of soil, points out Milton M. Mosher, State College of Washington research worker who is making a study of agricultural-tree farms in the Douglas fir region of western Washington.

Bethany Lutheran  
Pastor Installed  
At Sunday Service

Rev. T. W. Baker Installed By  
Secretary Of Board Of Foreign  
Missions From Pittsburgh

REV. T. W. BAKER

Official installation of Rev. T. W. Baker, new pastor of the Bethany Lutheran church, East Washington street, took place Sunday morning in the church.

Rev. Donald L. Houser, secretary of the Board of American Missions of the Pittsburgh Synod of the Lutheran church was the installing minister. Taking his text from I Corinthians, Rev. Houser, speaking from the Scriptures, admonished the young pastor that "We are all laborers together with Christ." In order to have a successful church the congregation and pastor were instructed that all must work together hand in hand.

A large attendance of members of the church and friends, were present at the impressive installation exercises which were conducted during the regular morning preaching service of the church.

Rev. Baker, a native of Youngwood, Westmoreland County, Pa., is a graduate of the Youngwood High school. He graduated from Baldwin-Wallace college at Berea, Ohio, and entered the Lutheran Theological Seminary in Philadelphia, where he graduated in January of this year. During summer vacation periods, Rev. Baker filled pulpits in Allegheny county, receiving practice training.

The new pastor and Mrs. Baker have taken up residence in the church parsonage 1016 East Washington street, adjacent to the church and are ready to serve the community.

The former pastor of the church, Rev. Louis Golder, left the pastorate last fall to assume his duties at the Lutheran Military Center in Norfolk, Va.

Wife Rescues Man  
Buried In Ditch

CLEVELAND, June 2.—(INS)—Richard M. Peck of Cleveland was reported recovering rapidly today following rescue by his wife after he had been "buried in a 10-foot sewer ditch."

Peck, 28, yesterday was digging a channel to permit excess rain water to drain from the ditch located on the site of their new home in suburban Parma.

His wife Mary, 25, was seated in an automobile nearby when she heard a muffled cry. "Some premonition," she said, moved her to investigate.

When she reached the ditch, her husband was not in sight. However, she heard him cry faintly, "Mary, please get me out of here!"

The young wife jumped into the ditch and began clawing frantically with her hands. She soon reached her husband's head, permitting him to breathe until rescuers attracted by Mrs. Peck's cries, arrived.

Parma police said a miscalculation on the part of Mrs. Peck when she started digging would have proved fatal to her husband.

Peck is production manager of the Harris Calorific company in Cleveland.

# Power Hitting Sparks Major League Teams In Hectic Races

## Giants Setting Hot Pace Today, Split Twin Bill

Homers Feature Giants And Reds Games Sunday, Braves Defeat Pirates Twice

By LES CONKLIN  
(International News Service Sports Writer)

NEW YORK, June 2.—The major league standings going into the month of June furnish evidence today that just as the pen is mightier than the sword, the poosh-en-up is more potent than pitching on the diamond.

Sheer power, spearheaded by home runs, is overshadowing pitching in these hectic days.

**Giants Setting Pace**  
The New York Giants are setting the pace in the National League, and their fellow-townsmen Yankees loom as Detroit's chief rival in the junior circuit, because of the glittering array of clouters on their rosters.

A no-hit game looks marvelous in the Hall of Fame, but homers and triples are what break up ball games. In the ninth inning of the first game of yesterday's Cincinnati-New York twin bill, a homer by Eddie Miller, his tenth of the season, gave the Reds a 5 to 3 verdict. But in the nightcap, circuit clouts by Schmezoza Lombardi and Bill Rigney sparked the Giants to a 13 to 9 triumph which enabled them to hold on to first place in addition to breaking up a flock of 13-run pools.

**Cubs Edge Phils**  
A triple by Claude McCullough enabled Chicago's Cubs to nose out the Phillies, 4 to 3, and advance to within half a game of the Giants. Harry Brecheen, Sunday pitcher of the St. Louis Cardinals, was shelled from the mound for the first time this season as the Dodgers trounced the fading champions 6 to 1 behind the five-hit pitching of Rookie Harry Taylor.

**Pirates Lose Two**  
Boston's Braves took undisputed possession of third place and hopped to within only one game of the lead by bowling over Pittsburgh twice, 2 to 0 behind Johnny Sain's three-hit pitching and 8 to 7 on Connie Ryan's triple in the ninth inning of the nightcap.

Rain played havoc with the American league schedule. The Detroit-Washington and Red Sox-White Sox twin bills were washed out. Jack Karmier of the St. Louis Browns beat the Philadelphia Athletics 7 to 2 before rain halted the nightcap.

The Cleveland-Yankees program should have been postponed, but the teams went ahead anyway in a sea of mire, and the Yanks proved to an 11 to 9 triumph.

## Cowmeadow Ends Brilliant Career At Franklin School

The little guy with the infectious grin and the sandy hair has coached his last Ben Franklin High school team.

"Austie" Cowmeadow, triple-sports mentor of Patriot teams for the past six years, will move up to senior high school next season as assistant to Bill Douglass in basketball and to handle the cross-country team.

On a smaller scale this is a calamity that can be likened to the occasion when John Bain "Jock" Sutphen stepped out as coach of the Pitt Panthers. On his record alone (16 championships in half a dozen years), "Austie" will be remembered as long as the east side institution stands, and the name of the coach who put the Patriots on the map athletically will come as easily to the minds of sports fans as the moniker of "Old Ben" himself.

**Fabulous Record**  
Cowmeadow's terrific teams compiled records that may stand a decade in junior high competition in this district.

"Austie's" cage machines amassed the amazing mark of 94 wins against only nine setbacks, and won or tied for championships five out of the six years he tutored them.

In football the Patriot coach again proved his versatility. His eleven possessed polish, speed and hard-smacking power rarely seen with squad personnel so young. In five out of six campaigns they were undefeated, dropping but two decisions in 36 tilts.

Probably his greatest edition was the 1946 juggernaut, boasting a Herculean line and a backfield artist, Sammy Keyes. This team thumped George Washington, 20-0, to again take the city championship.

**Track Squads Great**  
In track and field competition it was the same old story—no did Franklin win—but by how much of margin.

The East Siders never lost a dual track meet and swept the city championship six straight years. In 1946 they were runners-up in the western Pennsylvania and eastern Ohio meet and this year "Austie's" thin-clads handed him the finest "going-away" gift he could receive—they took first honors in the two-state competition, besting 22 entries.

**Never Was Athlete**  
All this was accomplished by a man who never played any sport in high school or college. His amazing coaching record stands as a tribute to his intense love of sports and the boys who play them. This, plus his ability to handle youth and his diligent study of "athletics," lifted him to the pinnacle of success.

His friends and followers wish him the best of luck and continuance of success in his new post. And incidentally, it couldn't have happened to a nicer guy.

## Former Big League Manager Succumbs

Death Claims Jimmy Wilson, Ex-Player, Manager And Coach In National League

BRADENTON, Fla., June 2.—(INS)—Funeral services were planned today for Jimmy Wilson, retired veteran manager, coach and catcher in the National league, who died of a heart attack at a Bradenton hospital, Wilson was 47.

The former big league baseball star was stricken suddenly Saturday night, although he apparently was in good health during the day. He succumbed early yesterday, shortly after he was admitted to the hospital.

Wilson, who retired from baseball at the close of the 1946 season, had been in the citrus business at Bradenton. His last baseball job was as coach for the Cincinnati Reds.

## Legion All-Stars To Play Thursday

Owing to commencement Tuesday there will not be any practice for the Legion Junior All-Stars, but Wes Mann has announced a game will be played Thursday at the Deshon Annex B field. Mann would like to have the manager of the Keystone A. C. team contact him.

**PULASKI WINS GAME**

## Hartman Umpires In Mid-Atlantic

Dallas "Dolly" Hartman, former well known baseball star and president of the Lawrence County Umpires Association is trying his hand at umpiring in the Middle-Atlantic league for at least a month of temporary relief duty. He worked the Vandergrift-Uniontown game at Vandergrift yesterday and turned in a swell performance.

Hartman secured the temporary appointment through Leo W. Hill, former head of the local umpires who recommended him to President Elmer Dalley. Dalley saw Hartman work his first organized game Sunday and liked his work. Hartman's many friends in this city are pulling for him to make the grade in organized ball.

## Columbus, South Hills Dukes Still Undefeated

WEST SIDE TIGERS FIND BATTING EYE

The "hapless" West Side Tigers went "hit happy" Sunday at the Lee Avenue field to comb two Dewey pitchers for 12 hits, and score five runs in the big seventh to break a 4-4 tie, and go ahead to win their second game in the City league.

Big "Hank" Faller was the winning pitcher, giving but five hits until developing a wild streak in the eighth and was removed in favor of "Smee" Pyle, who finished in fine style. Fred Wimer, Salem college athlete entered the Tigers lineup and hit the ball hard, as did Riley for the Deweys. Manager Len Gilbert and his Tigers are meeting the Lawrence Indies tonight at Lee Avenue in a postponed game.

**COLUMBUS TEAM WINS**  
Christopher Columbus Club baseball team kept its winning streak intact in the City Baseball league, by defeating the Sons of Italy Sunday 5 to 3 at the E. & A. field, with Lauro and Shaffer allowing only six hits and fanning ten men between them.

Ciccone was the loser with seven hits made off his delivery. The heaviest hitting was done by West, J. Gennock, Orlando, Rees, Rainey and Fazzone, all with doubles.

The recent Columbus-Universal game was not a league game in the city league officials have been informed.

**EDENBURG ANNEXES FIRST VICTORY, 10-9**  
EDENBURG, June 2.—Edenburg Tigers went on a hitting and scoring rampage here yesterday to outslug the Wayne A. C. and win their first league game of the season, 10-9. The win lifted the Tigers above the idle St. Lucy's club and deposited the Saints in the cellar.

Trailing 8-2 going into the sixth, the Mayberry-managed club knotted the score on a six-run outburst. The Waynes went ahead again, 9-8 in the seventh but the Tigers tallied twice in the last of the ninth to take the narrow victory. T. Olive singled across the winning marker and had a big day at the platter, whamming out four hits to lead both teams in clouting.

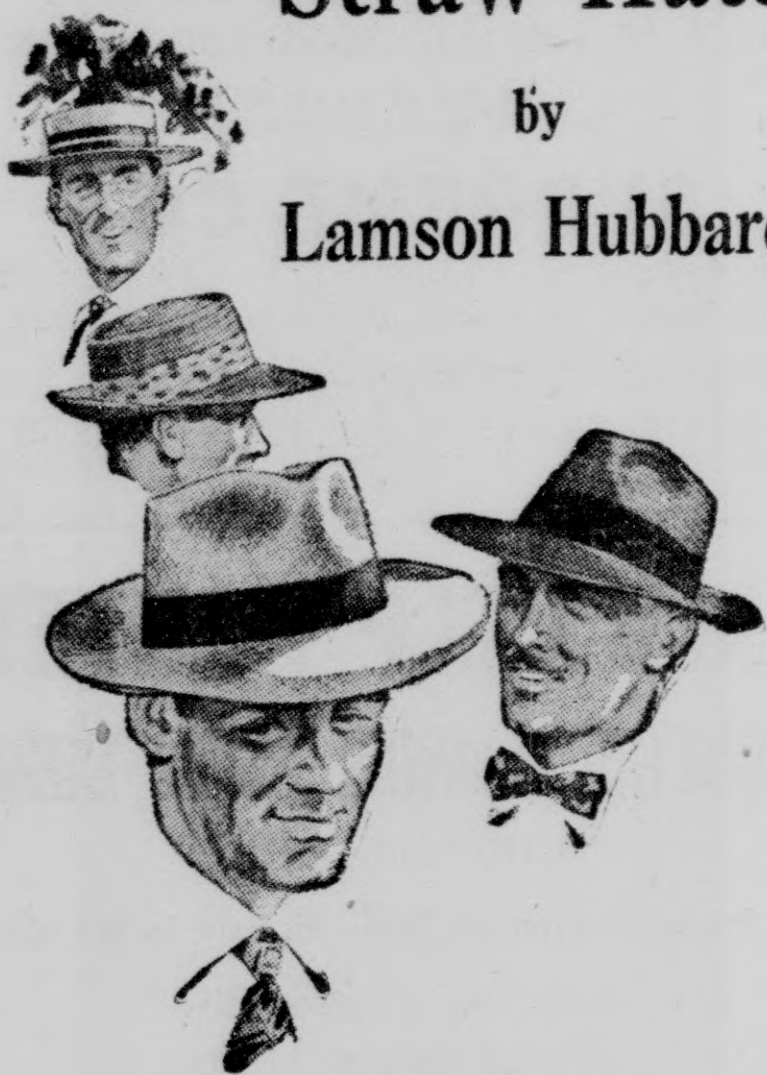

Hilke started on the rubber for Edensburg, with Andy Susany taking over in the second. Campbell, Newton and Johns tolled for the Waynes.

**Summary:**

## Passenger Rates Increased On All Railroads In East

Passenger rate increase, which affects all railroads operating east of the Mississippi river, went into effect Sunday and consequently will

change fares on the Baltimore and Ohio, Pittsburgh and Lake Erie and Pennsylvania systems which serve New Castle.

The new rates jump coach fares from 22 cents per mile to 25 cents and raised Pullman rates from 33 cents to 35 cents per mile.

Out of every five automobile accidents, four occur on dry roads in clear weather, and while driving straight ahead.

## HERE AND THERE IN SPORTS' LAND

HAVING won two fights, the first on points, and the second by a knockout, Elkins Brothers, local amateur heavyweight, has become the object of much attention. That is, on the part of persons who would handle his fight affairs. However, it would be a good idea for Elkins to continue to string along with the men who first exhibited faith in his ability, namely, Andy Fair and Homer Gray. They know as much, pugilistically, as the men who are beckoning him. Here & There recalls that when Fair not only served as a sparring partner to Battling Terry, in his day, one of the best of lightweights, but also helped to second him. Gray fought as a middleweight and was no push-over. Right now, Elkins is crude. He yet has the fundamentals to learn, and his handlers should exercise extreme care in making matches for him. Having won two successive bouts, Brothers is confident he can defeat the majority of heavyweights hereabouts. Maybe he can and maybe he cannot, hence there is room for caution in matching him. . . . Russell Baxter, local pro' middleweight, has awakened to the fact that a ring is no place for a half-trained fighter, hence he has given up late hours, got himself a job and trains assiduously with Brothers every night. He has three prospective bouts against Al Thornton, Eddie Elton and Rocky Graziano. Thornton defeated Baxter in Pittsburgh, but, well trained, Baxter should go well in a second bout. Elton is said to be tops among Ohio middleweights while Here & There would advise him to turn a deaf ear to the Graziano thing, despite the fact, such a bout would bring him a good pay-day. With half a dozen fights under his belt, Baxter may be able to regain the spot he once held in the fight game.

Patty Jo Leyde captured the plaudits of Greenville horse show patrons when she rode Rex, taking first in the Egg race, second in the three-gaited western and third in the best lady riders event. . . . Pancho De La Cruz, 230, required only 1:45 in the second round to stop Jim Bowden, 194, at El Paso. . . . Gus Lesnevich has decided he wants to be a colorful fighter. He can become one by a wave of knockouts. . . . Cochran Antlers club toured the western game farm near Cambridge Springs, Sunday. . . . Plans are being made for a big gallery at the Wampum Rotary horse show, Friday. . . . Zelenople Rotary's horse show will be held July 11-12. Governor and Mrs. James Duff may attend the event. . . . Billy Conn is getting in condition for some future battles. . . . Reid Moseley, Georgia U star end and a most feared pass receiver, will play with the Cho-Bears next fall. . . . Al Abrams has succeeded the late Havey J. Boyle as sports editor of the Pittsburgh Post-Gazette.

## Traynor Tagged Gustine Great Major Prospect

Prophecy Made 11 Years Ago Comes True, Gustine Is Great Third Sacker

By JIMMY JORDAN  
(International News Service Sports Writer)

PITTSBURGH, June 2.—One day, almost 11 years ago, Harold C. (Pie) Traynor patted a Chicago schoolboy on the head and told him that some day he'd be a great big league baseball player.

Today "Pie" said he felt the prophecy was justified.

The schoolboy was Frankie Gustine, a regular with the Pittsburgh Pirates since 1940, but who apparently didn't "find himself" until this season.

### Work Is Sensational

Gustine was a natural third baseman when Traynor became interested in him, and had him work out with the Pirates in Chicago's Wrigley Field. But since he first broke into organized baseball, the 27-year-old Frankie has had little chance to play his favorite spot. Right now, since taking over the hot corner under direction of Billy Herman, the Bucs' new manager, he is little short of a sensation, and has been tagged as the best in the league from his record in the 24 games he has played.

But until this year, things hadn't been too good. Gustine had played second base and shortstop for the most part, and hadn't had a chance to show what he could do around third.

### Proves Point

"When I signed him for the Pirates when he graduated from high school, it was because I thought he'd become a great third baseman," Traynor said today. "Now that he has a chance to play there, he's proved my point."

Gustine came up with the Pirates in 1939. He played in only 22 games that year. He stayed, however, but aside from an occasional game at third, he has played at second and short ever since.

This season, Herman put him on third almost at the start of the training season. His play around that sack not only has been almost perfect, but he has made sensational stops that even Traynor himself avers he probably couldn't have made.

### Second Traynor

And coming from one of the all-time great third-sackers, Traynor's praise is indeed something.

Pittsburgh fans say he's the first to come along that can fill Traynor's shoes at third, and Traynor himself says:

"If his hitting keeps up, he'll be the best in a long time. There's nothing wrong with his fielding."

## County Students Take Examination

Results Of High School Entrance Examination Being Tabulated By Superintendent Syling

In the neighborhood of 400 eight grade pupils in various county schools which do not have an accredited high school in their district, took the high school entrance examination, conducted by County Superintendent of Schools, John C. Syling, Saturday morning.

In addition to those schools which do not have a high school, some of the students in other districts took the examination as a standard test.

The results of the examination are now being tabulated, and the names of those who made passing grades will be announced by Mr. Syling in the course of a month or so.

## Visual Education Will Be Stressed At County Convention

Visual education will be stressed at the 109th convention of the Lawrence County Sabbath School Association which will be held at the First Christian church, this city, Thursday, June 12, all day, and this will be in charge of Robert L. Meermans, who will use the up-to-date equipment the convention church own. Sound motion pictures will be shown continuously after the afternoon session until the Christian Fellowship Banquet, and these will be suitable not only for Young People but adults as well. There will also be Camp Kanesatake views.

Honor roll cards have been mailed to every Sunday school superintendent of the county. It is hoped that a good percentage of the 126 Lawrence county will be on this roll by having delegates in attendance. Reservation slips for the meals have also been mailed, and these

are to be returned as promptly as possible so that members of the Bennett Bible class will know the number to be served. Preparation will be made so that those coming to the convention who have not received reservation slips, may be taken care of.

The convention theme, "Crusading for Christ" will be the keynote of the convention, and it is especially timely. The program participants include the following: Dr. Eugene C. Veach, Youngstown; Dr. R. H. Martin, Pittsburgh; Miss A. Myfanwy Roberts, Scranton; Dr. G. S. Bennett; Dr. R. F. Galbreath; Rev. O. W. Hurst; Rev. D. L. Ferguson; Rev. Howard Sartell, Rev. Owen Shields, L. Butler Hennen, Mrs. R. K. Allen, Dr. J. Paul Graham, Rev. John F. Fife, Mrs. B. F. Johnson, Mrs. H. F. Barber, Robert L. Meermans, Miss Anna Dodds, Mrs. H. F. Magill, Mrs. A. C. Gardner, Robert A. Duff and New Castle Senior High School Alumni Choir. Squad of Boy Scouts and Squad of Girl Scouts, H. L. Marvin, H. L. Burns, Robert M. Strickler, Jr., and others.
